Never Again Goodbye:

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times
