## **New American Revolution:**

The New American Revolution Kayleigh McEnany, 2019-09-03 In this essential exploration of the American heartland Kayleigh McEnany presents an eye opening collection of interviews and stories about the powerful grassroots populist movement of frustrated Americans left behind by the government that changed the landscape of political campaigns forever Kayleigh McEnany spent months traveling throughout the United States conducting interviews with citizens whose powerful and moving stories were forgotten or intentionally ignored by our leaders Through candid one on one conversations they discussed their deeply personal stories and the issues that are most important to them such as illegal immigration safety from terrorist attacks and religious freedom The New American Revolution chronicles both the losses of these grassroots voters as well as their ultimate victory in November 2016 Kayleigh also includes interviews with key figures within President Trump s administration including Ivanka Trump Secretary Ben Carson Jared Kushner and many more and their experiences on the road leading up to President Trump s historic win Kayleigh s journey takes her from a family cabin in Ohio to the empty factories in Flint Michigan from sunny Florida to a Texas BBQ joint and of course ends up at the White House The collective grievance of the American electorate reveals a deep divide between leaders and citizens During a time of stark political division Kayleigh discovers a personal unity and common thread of humanity that binds us nevertheless Through faith in God and unimaginable strength these forgotten men and women have overcome even when their leaders turned their heads An insightful book about the triumph of this powerful movement The New American Revolution is a potent testament to the importance of their message
