

A grid of small photographs showing diverse people, including men and women of various ethnicities, some in professional settings and others in more casual environments. The photos are arranged in a grid that is slightly tilted and partially obscured by the text.

THE NEW AMERICANS CAMPAIGN

New Americans

AW Chickering

New Americans:

The New Americans Mary C. Waters, Reed Ueda, Helen B. Marrow, 2007-01-30 Listen to a short interview with Mary Waters Host Chris Gondek Producer Heron Crane Salsa has replaced ketchup as the most popular condiment A mosque has been erected around the corner The local hospital is staffed by Indian doctors and Philippine nurses and the local grocery store is owned by a Korean family A single elementary school may include students who speak dozens of different languages at home This is a snapshot of America at the turn of the twenty first century The United States has always been a nation of immigrants shaped by successive waves of new arrivals The most recent transformation began when immigration laws and policies changed significantly in 1965 admitting migrants from around the globe in new numbers and with widely varying backgrounds and aspirations This comprehensive guide edited and written by an interdisciplinary group of prominent scholars provides an authoritative account of the most recent surge of immigrants Twenty thematic essays address such topics as immigration law and policy refugees unauthorized migrants racial and ethnic identity assimilation nationalization economy politics religion education and family relations These are followed by comprehensive articles on immigration from the thirty most significant nations or regions of origin Based on the latest U S Census data and the most recent scholarly research The New Americans is an essential reference for students scholars and anyone curious about the changing face of America

Vulnerable Communities James J. Connolly, Dagny G. Faulk, Emily J. Wornell, 2022-02-15 Vulnerable Communities examines the struggles of smaller cities in the United States those with populations between 20 000 and 200 000 Like many larger metropolitan centers these places are confronting change within a globalized economic and cultural order Many of them have lost their identities as industrial or commercial centers and face a complex and distinctive mix of economic social and civic challenges Small cities have not only fewer resources but different strengths and weaknesses all of which differentiate their experiences from those of larger communities Vulnerable Communities draws together scholars from a broad range of disciplines to consider the present condition and future prospects of smaller American cities Contributors offer a mix of ground level analyses and examinations of broader developments that have impacted economically weakened communities and provide concrete ideas for local leaders engaged in redevelopment work The essays remind policy makers and academics alike that it is necessary to consider cultural tensions and place specific conflicts that can derail even the most well crafted redevelopment strategies prescribed for these communities
