Such Color Tracy K. Smith, 2021-10-05 Tracy K Smith's poetry is an awakening itself Vogue Celebrated for its extraordinary intelligence and exhilarating range the poetry of Tracy K Smith opens up vast questions *Such Color* New and Selected Poems her first career spanning volume traces an increasingly audacious commitment to exploring the unknowable the immense mysteries of existence Each of Smith's four collections moves farther outward when one seems to reach the limits of desire and the body the next investigates the very sweep of history when one encounters death and the outer reaches of space the next bears witness to violence against language and people from across time and delves into the rescuing possibilities of the everlasting Smith's signature voice whether in elegy or praise or outrage insists upon vibrancy and hope even and especially in moments of inconceivable travesty and grief *Such Color* collects the best poems from Smith's award winning books and culminates in thirty pages of brilliant excoriating new poems These new works confront America's historical and contemporary racism and injustices while they also rise toward the registers of the ecstatic the rapturous and the sacred urging us toward love as a resistance to everything that impedes it This magnificent retrospective affirms Smith's place as one of the twenty first century's most treasured poets

Alive Together Lisel Mueller, 1996-10-01 Winner of the Pulitzer Prize for Poetry In a collection that represents over thirty five years of her writing life this distinguished poet explores a wide range of subjects which include her cultural and family history and reflect her fascination with music and the discoveries offered by language In fact her book is a testament to the miraculous power of language to interpret and transform our world It is a testament that invites readers to share her vision of experiences we all have in common sorrow tenderness desire the revelations of art and morality the hard dry smack of death against the glass In the title piece Mueller brings a sense of enduring and unclouded wonder to a recognition of all those whose lives might have been our own Speaking of marvels says the poem's speaker I am alive Thus we too alive together are marvels and so are our children who but for endless ifs might have missed out on being alive together with marvels and follies and longings and lies and wishes and error and humor and mercy and journeys and voices and faces and colors and summers and mornings and knowledge and tears and chance Imaginative poignant and wise *Alive Together* is a marvelous book an act of faith and courage in the face of life's enduring mystery

I Toi Derricotte, 2019-03-26 Toi Derricotte's story is a hero's journey a poet earning her way home to her own commanding powers *I* New and Selected Poems shows the reader both the closeness of the enemy and the poet's inherent courage inventiveness and joy It is a record of one woman's response to the repressive and fracturing forces around the subjects of race class color gender and sexuality Each poem is an act of victory as the author finds her way through repressive forces to speak with beauty and truth This collection features more than thirty new poems as well as selections from five previous collections

Ripple Effect Elaine Equi, 2007 Collects poems from over two decades of the

Illinois born author's work **Amplitude** Tess Gallagher, 1987-09 Combining selections from three previous works with new poems this volume reveals changes in the poet's style, tone, and perspective. In the early poems, clear and uncluttered speech is a deft anchor for a willingness to admit secrets from the invisible underside of events from her working class childhood. Gradually, the glint of absurdity or magic, the droll tunes of the plot, the pressure of concrete reality are overshadowed by concerns about the poet's role in social and political realities. The later poems include a new theme, political concerns, and their relationship to the personal life, and a new tone revealing tenderness, acceptance, and celebration. ISBN 1 55597 099 0 16 00

Now & Then Robert Phillips, 2009 Poetry Robert Phillips's NOW AND THEN NEW SELECTED POEMS are all he wishes to preserve from five decades of writing. In the words of James Dickey, Phillips's collection of poems is engaging, open, and accessible; his subjects, painstakingly explored. Drawing from ten past books of poetry and pulling in new work, this is a collection of poems with a wry, self-deprecating intimacy and charm not like anyone else writing today, says Carolyn Kizer. X J Kennedy says Robert Phillips is about the only living U.S. poet who never bores me. His prizes include an American Academy of Arts Letters Award in poetry, and he teaches in the Creative Writing Program at the University of Houston, Texas. **I Live by the Invisible**

Ray Bradbury, 2002 Most of the poems in this collection from the unquenchable Bradbury are new, but all have his evergreen touch: accessible, humorous, quietly emotional. Bradbury can't long restrain his usual luxuriating in the sensual wonder of life. Bradbury New Selected Poems Philip Levine, 1991 Includes selections from the poet's latest works: Sweet will and A walk with Tom Jefferson. *Here* Everett Hoagland, 2002 Everett Hoagland is a poet whose sensibility has been seasoned in the rich loam of the black folk heritage and impressively informed by the full range of the Western literary canon, says the eminent African American poet Sam Allen. This is an important volume. This is a poetry of eloquence and challenge, rooted in the wisdom of his ancestral past and articulated with a confident mastery of his craft. Here is Everett Hoagland's finest achievement, offering us thirty years of his best published poems plus a collection of stunning new work. The temperature of these poems is high, sometimes radiantly warm and loving, sometimes scalding with a sense of justice and injustice. Hoagland's heart, his intelligence, and his power of language interact in this honest and sometimes lacerating collection.
