John Hollander

New Collected Poems 1952 1992:

New & Collected Poems, 1952-1992 Geoffrey Hill, 2000 Geoffrey Hill's poems are like those of no other living poet. Grand in their music, powerful in their impact, they are public poetry, poetry dealing with religion, with the state of England, poetry as a lamentation for the human condition. As A

New and Collected Poems Professor Geoffrey Hill, 2000-01-01 **The Modern Elegiac Temper** John B. Vickery, 2006-05-01 Lamentation of death is the traditional elegiac focus, but in the twentieth century the elegy has become characterized as well by the mourning of other kinds of loss: those personal, familial, romantic, cultural, and philosophical privations and dispossessions that have so greatly shaped the modern sensibility. According to John B. Vickery, a profound elegiac temper is itself the major trait of twentieth-century culture, registered in attitudes ranging from regret, sorrow, confusion, anger, anxiety, doubt, and alienation to outright despair. He transforms our understanding of the elegy and its relation to modernism in *The Modern Elegiac Temper*. Vickery offers in-depth readings of a broad sampling of British and American poems written from World War I to the present. He considers works of overlooked poets such as Vernon Watkins, George Barker, and Edith Sitwell, while also attending to canonical writers such as T. S. Eliot, Ezra Pound, W. H. Auden, and Wallace Stevens. Taking a text-oriented rather than author- or theory-oriented approach, he discusses in turn the personal, love, cultural, and philosophical elegy and shows how war, the Great Depression, the Holocaust, and other major historical events influenced poets' elegiac expressions. By suggesting ways in which the individual-centered concerns of the traditional elegy metamorphose under the depersonalizing lens of high modernism, Vickery reveals the modern elegy to be a finely calibrated instrument for reading and expressing, absorbing and reflecting the modern temperament.

The Work of Poetry John Hollander, 1997 *The Work of Poetry* is organized into three parts. Poetic Substance explores the nature of poetry and the poet with essays that cover the poet being and feeling at home in his or her work and the parallels between dreams and poetry.

Reading Poetry Tom Furniss, Michael Bath, 2013-08-16 *Reading Poetry* offers a comprehensive and accessible guide to the art of reading poetry. Successive chapters introduce key skills and critical or theoretical issues, enabling users to read poetry with enjoyment, insight, and an awareness of the implications of what they are doing. This new edition includes a new chapter on Postcolonial Poetry, a substantial increase in the number of end-of-chapter interactive exercises, and a comprehensive Glossary of poetic terms. Not just an add-on to the Glossary, it works as a key resource for the structuring of particular topics in any individual teaching or learning programme. Many of the exercises and interactive discussions develop not only the skills of competent close reading but also the necessary confidence and experience in locating historical and other contextual information through library or internet searches. The aim is to enhance readers' literary and scholarly competence and to make it fun.

The Methuen Book of Poems for Every Day Methuen, 2006 *The Methuen Book of Poems for Every Day* includes 366 poems by over two hundred poets from antiquity to the present. From Blake to Betjeman and Whitman to Wilde, the book blends familiar classics with unknown gems, old and new. The result

is at once a celebration of the greatest poets and their finest work of the endless variety of the year and of poetry itself in all the glorious diversity of the form lyric epic and elegiac sonnet ballad song satire and romance Here are poems of every kind to suit each day each mood and season all tastes and all ages reflective exuberant mourning or joyful loving or laughing They chart every trajectory of human experience and emotion and at the same time they give it context within the shape of the year These poems are accompanied by notes that set them day by day in their historical record Concise and informative these include other notable events of that date from births and deaths to coronations and catastrophes

BOOK JACKET *The Extravagant* Robert Baker, 2005 In *The Extravagant* Robert Baker explores the interplay between poetry and philosophy in the modern period engaging a broad range of writers Kant Wordsworth and Lyotard in a chapter on the sublime Rimbaud Nietzsche and Bataille in a chapter on visionary quest and Kierkegaard Dickinson Mallarm and Derrida in a chapter on apocalyptic negativity His guiding concern is to illuminate adventures of extravagant or wandering language that from the romantic period on both poets and philosophers have undertaken in opposition to the dominant social and discursive frames of a pervasively instrumentalized world The larger interpretative narrative shaping the book is that a dialectic of instrumental reason and creative negativity has been at work throughout modern culture Baker argues that adventures of exploratory wandering emerge in the romantic period as displaced articulations of older religious discourses Given the dominant trends of the modern world however these adventures repeatedly lead to severe collisions and crises in response to which they are later revised or further displaced Over time as instrumental structures come to disfigure every realm of modern life poetries and philosophies at odds with these structures are forced to criticize and surpass earlier voices in their traditions that seem to have lost a transformative power Thus Baker argues these adventures gradually unfold into various discourses of the negative prominent in contemporary culture discourses of decentering dispersing undoing and erring It is this dialectic that Baker traces and interprets in this ambitious study
