## Introduction

You've probably been hearing a lot about social media lately. You may have even tried it yourself, but found that it's not as easy as they make it look on TV. We get that! Social media can be an unbearably frustrating place for local business owners who don't get this stuff. That's why we'd like to share some tips and tricks for getting the most out of your social media presence as a small business owner. Whether you're just starting to dabble in the world of Facebook and Twitter or want more information about how to create a successful Instagram page for your restaurant, we've got you covered.

### • Choose the right social networks.

Choosing the right social networks for your business is like choosing which fork to use at a fancy dinner party. No matter how pretty it is, if it does not feel comfortable in your hand, you'll be fumbling around for something else to eat with.

Likewise, no matter how much time you spend on social media, if it doesn't feel natural or useful to you and your audience (and align with your budget), then you likely won't see any results.

When choosing which platforms to focus on first, start off by thinking about what kind
