

THE MASTER'S PLAN FOR THE CHURCH

REASONS WE MUST POSSESS A DEEP LOVE FOR THE CHURCH

- Those who ought to lead the charge to love and cherish the bride of Christ are the men of the church since how the men go the church goes
- Our hope is that the men of MBC would be churchmen... men who really love the church... men who don't just see church as a box to check once a week
- Unfortunately, often men become indifferent to the church... passive toward it... uninvolved... even apathetic
- In some cases, they even become hostile to the church, because they have become disillusioned and disenchanting with it
- They step away from it, believing that they can have a more satisfying Christian life apart from it
- "These days, spirituality is hot; religion is not. Community is hip, but the church is lame. Both inside the church and out, organized religion is seen as oppressive, irrelevant, and a waste of time. Outsiders like Jesus but not the church. Insiders have been told that they can do just fine with God apart from the church."¹
- But to love Christ is to love His church
- No one who rejects or is indifferent toward the church truly loves Christ

Because Christ Promised to Build It

Matthew 16:18 - I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades will not overpower it.

- Christ didn't promise to build a program... or a movement... or an actual structure... but the church
- The word "church" (*ekklesia*) is from *ek* ("out") and *kaleo* ("to call")... meaning "a called out group"
- It is most often used in a technical sense of believers whom God has called out of the world as a special group of His own
- So the church is people... called out of sin... called out of darkness... called out of wrath... called into a relationship with God through Christ... called into a relationship with fellow believers
- This is a reference to the universal church... it refers to all Christians everywhere throughout history... all true believers from Pentecost to the Rapture
- This is sometimes referred to as the "invisible church" because it is comprised of believers who lived before us and will be comprised of believers who live after us
- And it is invisible because we cannot know for certain which of those baptized, professing members are inwardly regenerate and thus belong to the church as a spiritual fellowship of sinners loving their Savior

Masters Plan For The Church Introduction

In today's digital age, the availability of Masters Plan For The Church books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Masters Plan For The Church books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Masters Plan For The Church books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Masters Plan For The Church versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Masters Plan For The Church books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Masters Plan For The Church books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Masters Plan For The Church books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Masters Plan For The Church books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
