Ready, 2023 Why do people care about this foundational epic poem and its characters This is the first book to apply to the Iliad research in communications literary studies media studies and psychology on how readers of a story or viewers of a play movie or television show find themselves immersed in the tale and identify with the characters Homer's Iliad: The Real Story John D. Martin, 2025-07-30 For the nearly three millennia since its creation the Iliad s Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer s imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer s great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer s own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity s greatest author **The Story of the Iliad** Alfred John Church, 1891 **The Iliad of Homer** Homer, 1873 **The Iliad of Homer, Literally Translated, with Explanatory Notes** Homer, 1889 Iliad of Homer Theodore Alois Buckley, 2020-07-30 Reproduction of the original Iliad of Homer by Theodore Alois Buckley **The Intermediate Plan Book** Marian Minnie George, 1910 Classical Weekly , 1919 *The Classical Weekly* , 1918 **The Classical World** , 1917 **Strathmore. Interspersed are short essays on the later history of the myths and their importance to writers artists musicians and philosophers down to our times The many illustrations from ancient works of art show how the myths are visualized The book concludes with a history of later ideas on classical myth demonstrating their importance for us today from Back Cover
