Rapture Question:

The Rapture Question John F. Walvoord, 2010-12-21 Now completely revised and enlarged using quotations from the New International Version John F Walvoord s classic work on the Rapture The Rapture Question examines the four views of the church s role in the tribulation Partial Rapturism Pretribulationism Midtribulationism and Posttribulationism with the revised edition particularly discussing the current debate between pretribulationism and posttribulationism In updating his work the author also added treatments on the Rapture in the Gospels in 1 Thessalonians 4 in 1 Thessalonians 5 in 2 Thessalonians in 1 Corinthians and in Revelation A bibliography of current literature plus general and Scripture indexes are included The Rapture Question Answered Robert Van Kampen, 1997-05-01 Answers the question surrounding the Rapture of the church at Christ s second coming and the timing of the end time events as clearly taught in Scripture *The Rapture Question* Jack Binner, 2020-06-25 Dear God loving friends Our Lord Jesus loves us He died on a Roman cross and was made sin for us so that we might be forgiven He is in heaven seated at the right hand of our heavenly Father As we read through the New Testament scriptures we become aware that the Apostle Paul and others were waiting for our Lord Jesus to return Today in our time over two thousand years later Bible believing Christians are anxiously looking for our Lord s return Over the years theologians have written down their theories concerning our Lord s return The Apostle Paul in his letters to the church at Thessalonica carefully explained exactly when and how this glorious event will happen I pray that reading my book will provide some blessing for your life Perhaps you will gain some new perspectives Your old friend in Christ *The Rapture Question* John F. Walvoord, 1979 *The Rapture Question* Charles H, 2019-01-20 part one is a discussion of the subject of the Rapture Part Two is seven reasons for the Rapture *The Rapture Question* Clay Ingram, 1996* **The Rapture Question** John Flipse Walvoord, 1974 **The Seventh Trumpet** Pastor Clay Kendall, 2023-04-09 The Seventh Trumpet explains the truth about the return of Jesus Christ It debunks the popular notion that the Church will be raptured before the tribulation Sadly the rapture was developed by misinterpreting a handful of Bible verses which are properly examined in this book Great inconsistencies in Bible interpretation are developed largely from the highly fickle and nonlinear nature of the English language However the Bible was not written in English so to rightly divide the Bible proper careful attention must be given to researching the original languages from which it was written The Old Testament was written in Hebrew and the New Testament was written in Greek Both languages are straightforward and consistent in sense and meaning thus studying the Bible must begin and end in Hebrew and Greek Deviating from this method of study has caused much confusion in the churches This is where the traditions of men have usurped the teachings of the law and the prophets These traditions have developed from mistranslating scripture in English before transliterating it in Hebrew or Greek This is how the early rapture of the church was conceived The Bible verses herein are given in the King James Version KJV because it can be cross referenced to the Strong s Concordance which is a bridge to the original languages of Hebrew and Greek This makes it much

more useful to obtain accurate interpretation No other combination outside the Strong s and the KJV can make this claim All other versions are solely dependent upon the inconsistent nature of the English language and only a few of them in part align with the original text Clayton Kendall has pastored a nondenominational home church for thirty years His education in Theology has been through many years of self study He owes much gratitude to his late mentor Pastor Arnold Murry of Shepherd s Chapel This is his fourth published work and he plans on publishing more books in the future Lord willing All of his books are of the spiritual genre [The Complete Book of Bible Prophecy](#) Mark Hitchcock,1999 A theologian and pastor offers a comprehensive easy to use guide to biblicalprophecy *The Rapture Question in the Thessalonian Epistles* LeRoy J. Stucky,1962 *100 Questions About The Rapture* Zélio Cabral,2016-06-06 The purpose of this little book is to show everyone believers and non believers just the truth that is what God s Word really teaches The author raises 100 questions on the issue of the Rapture of the Church of the time and the end of time it has instigated many theologians and non theologians over the past 185 years Study what the Bible says about the future gives us power to overcome in love and power during the most glorious and difficult time in history Prepares us to actively participate in the eschatological events under the leadership of Jesus and correctly interpret its leadership in future global crisis rather than offend Him Matthew 11 6 Study the End Times awakens a sense of urgency to the intercession knowing that our prayers can minimize evil and increase victory Understand the eschatological passages of Scripture strengthens our confidence in the sovereignty of God knowing that He is in control of everything and is never surprised Therefore you reader who sticks to the pre trib position or you reader who does not adhere to any eschatological position of Christ s return I invite you to read and analyze for yourself like the Bereans were at the time of the Apostle Paul and reflect with the help of the Holy Spirit of God on the proposed themes

Things to Come John Hill,2019-01-09 This is not an easy read book It is designed to encourage the reader to become more involved in personal Bible study While offering biblical information concerning future things the author also provides guidelines and leading questions to invoke a real curiosity for knowing more from God s Word and more about His plans for humanity Take some time and sit down with your Bible and a pen in hand Your rewards will be great **The Eastern Question, in Its Various Phases** Jonathan Perkins Weethee,1897 **Questions on Prophecy** Salem Kirban,1982-04

The Closed Door Meeting: the Rapture Question Revisited Joseph UMANAH,2018-02-17 The Second Coming of Jesus Christ is the most anticipated and exciting event on God s eschatological calendar However the subject is surrounded by many controversies which have polarized believers in modern times The most popular view in public discourse is that the Coming of the Lord will be in two phases The great tribulation comes after the rapture and the first coming which will be secret During the great tribulation saints will be having a closed door meeting with the Lord in the air while those left behind will suffer under the government of the Antichrist The next coming of the Lord ushers in the end of the world But the questions are will the church really escape the great tribulation will there actually be a secret rapture when will the Lord

return Does the Bible have answers to these questions and many other questions on this profound eschatological doctrine This is what this book seeks to unravel

The Source of Hope John S. Hammett,2025-08-01 In *The Source of Hope* John Hammett crafts a detailed and accessible introduction to the discipline of eschatology

The Rapture Question, When Does It Occur? G. Michael Cocoris,2025-05-07 An explanation and biblical evaluation of four answers The great debate over the Rapture is When will it occur There are four answers to that question Pre tribulationists believe it happens before the seven year Tribulation which is before the Second Coming of Christ Mid tribulationists claim it is in the middle of those seven years of the Tribulation Pre Wrath advocates contend that it will take place somewhere between the middle and the end of the Tribulation Post tribulationists argue that the Rapture is after the Tribulation The answer to this question is complex because it involves many different issues For starters the challenge is the interpretation of such passages as the Olivet Discourse in Matthew 24 25 Paul s description in 1 Thessalonians 4 13 5 9 Paul s discussion in 2 Thessalonians 2 1 8 Jesus statements in John 14 1 3 and Revelation 3 10 etc Then some topics must be examined such as the last trumpet the Day of the Lord cosmic disturbances the resurrection the judgments the expression the end etc In *The Rapture Question When Will it Occur* G Michael Cocoris simply explains and biblically evaluates each of the four answers concerning the time of the Rapture He concludes with Paul s practical application of this vital spiritual truth
