## **Love Across The Color Line:**

Love Across the Color Line Helen Lefkowitz Horowitz, Kathy Lee Peiss, 1996 This book examines a remarkable collection of twenty seven letters written by a white working class woman to her African American lover in 1907 and 1908 Stuffed inside a black lace stocking the letters were hidden under the floorboards of a house in Northampton Massachusetts until their recent discovery Reflecting the passions and anxieties of the moment the letters were written by Alice Hanley the daughter of Irish Catholic immigrants to Channing Lewis a cook in Springfield Since the thoughts and feelings of women like Hanley have usually been filtered through middle class reformers her words provide a rare window into a realm of American social life seldom explored by historians The letters are accompanied by essays that skillfully probe their larger meanings Helen Lefkowitz Horowitz introduces the letters placing them in the context of their time while journalist Phoebe Rolin Mitchell recounts the story of their discovery Kathy Peiss explores Hanley s life her negotiation of illicit love and her desire for respectability re creating a dense and textured world of home church and town Historian Louis Wilson unearths the trail left by Lewis and members of his extended family in Springfield Reviewing the experiences of African Americans in that city Wilson clarifies the economic social and political position of a black middle aged breadwinner during the difficult years of the early twentieth century *Love Across Color Lines* Maria Diedrich, 2000-09-25 In 1856 Ottilie Assing an intrepid journalist who had left Germany after the failed revolution of 1848 traveled to Rochester New York to interview Frederick Douglass for a German newspaper This encounter transformed the lives of both they became intimate friends they stayed together for twenty eight years and she translated his autobiography into German Diedrich reveals in fascinating detail their shared intellectual and cultural interests and how they worked together on his abolitionist writings As is clear from letters and diaries Douglass was enchanted with his vivacious companion but believed that any liaison with a white woman would be fatal to his political mission Assing was keenly aware of his dilemma but certain he would marry her once his mission was fulfilled She was bitterly disappointed after his wife s death Douglass did remarry but he married another woman Assing committed suicide leaving her estate to Douglass Jacket Love Across the Color Line James Sedalia Peters, 1990

Interracial Intimacy Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage

Love Across Borders Kelly Chong, 2020-09-29 High rates of intermarriage especially with Whites have been viewed as an indicator that Asian Americans are successfully assimilating signaling acceptance by the White majority and their own desire

to become part of the White mainstream Comparing two types of Asian American intermarriage interracial and interethnic Kelly H Chong disrupts these assumptions by showing that both types of intermarriages in differing ways are sites of complex struggles around racial ethnic identity and cultural formations that reveal the salience of race in the lives of Asian Americans Drawing upon extensive qualitative data Chong explores how interracial marriages far from being an endpoint of assimilation are a terrain of life long negotiations over racial and ethnic identities while interethnic intra Asian unions and family making illuminate Asian Americans ongoing efforts to co construct and sustain a common racial identity and panethnic culture despite interethnic differences and tensions Chong also examines the pivotal role race and gender play in shaping both the romantic desires and desirability of Asian Americans spotlighting the social construction of love and marital choices Through the lens of intermarriage Love Across Borders offers critical insights into the often invisible racial struggles of this racially in between model minority group particularly its ambivalent negotiations with whiteness and white privilege and on the group s social incorporation process and its implications for the redrawing of color boundaries in the U S

**Conjugal Misconduct** William Kuby,2018-03 Examines the experiences of couples in controversial unions and the legal and cultural backlash against contested marital arrangements in twentieth century America Will appeal to readers studying marriage law gender sexuality class and race in the US and those seeking historical insight into the recent debates over the definition of marriage

**Race Mixing** Renee C. Romano,2003-04-17 Marriage between blacks and whites is a longstanding and deeply ingrained taboo in American culture On the eve of World War II mixed race marriage was illegal in most states Yet sixty years later black white marriage is no longer illegal or a divisive political issue and the number of such couples and their mixed race children has risen dramatically Renee Romano explains how and why such marriages have gained acceptance and what this tells us about race relations in contemporary America The history of interracial marriage helps us understand the extent to which America has overcome its racist past and how much further we must go to achieve meaningful racial equality

**Love Across the Color Line** Helen Lefkowitz Horowitz,Kathy Lee Peiss,1996 This book examines a remarkable collection of twenty seven letters written by a white working class woman to her African American lover in 1907 and 1908 Stuffed inside a black lace stocking the letters were hidden under the floorboards of a house in Northampton Massachusetts until their recent discovery Reflecting the passions and anxieties of the moment the letters were written by Alice Hanley the daughter of Irish Catholic immigrants to Channing Lewis a cook in Springfield Since the thoughts and feelings of women like Hanley have usually been filtered through middle class reformers her words provide a rare window into a realm of American social life seldom explored by historians The letters are accompanied by essays that skillfully probe their larger meanings Helen Lefkowitz Horowitz introduces the letters placing them in the context of their time while journalist Phoebe Rolin Mitchell recounts the story of their discovery Kathy Peiss explores Hanley s life her negotiation of illicit love and her desire for respectability re creating a dense and textured world of home church and town Historian Louis Wilson unearths the trail left

by Lewis and members of his extended family in Springfield Reviewing the experiences of African Americans in that city Wilson clarifies the economic social and political position of a black middle aged breadwinner during the difficult years of the early twentieth century

**The Origins of African American Literature, 1680-1865** Dickson D. Bruce, 2001 From the earliest texts of the colonial period to works contemporary with Emancipation African American literature has been a dialogue across color lines and a medium through which black writers have been able to exert considerable authority on both sides of that racial demarcation Dickson D Bruce argues that contrary to prevailing perceptions of African American voices as silenced and excluded from American history those voices were loud and clear Within the context of the wider culture these writers offered powerful widely read and widely appreciated commentaries on American ideals and ambitions The Origins of African American Literature provides strong evidence to demonstrate just how much writers engaged in a surprising number of dialogues with society as a whole Along with an extensive discussion of major authors and texts including Phillis Wheatley s poetry Frederick Douglass s Narrative Harriet Jacobs Incidents in the Life of a Slave Girl and Martin Delany s Blake Bruce explores less prominent works and writers as well thereby grounding African American writing in its changing historical settings The Origins of African American Literature is an invaluable revelation of the emergence and sources of the specifically African American literary tradition and the forces that helped shape it

**White Papers for White Americans** Calvin C. Hernton, 1982-08-11 Author s hurricane and flooding video aired on national television by ABC s Nightline to 3 9 million people A finalist in the Global eBook Awards this is a behind the scenes look at cruise ships in a way that s never been done before Some of the stories are shocking some are enlightening but most are just laugh out loud entertaining This tour behind those Crew Only doors will reveal How romance on a cruise ship is unlike anywhere else The insane things passengers do Why alcohol is mandatory at sea How nude cruises compare to Christian cruises A first hand account of damage from getting caught in a hurricane Jay Herring was an American senior officer and one of the few who had physical access to the entire ship He worked with every department and every senior officer including the captain His wife worked in the casino and combined they worked for Carnival Cruise Lines for 10 years and sailed on over 503 cruises If you ve ever wondered what happens below deck on a cruise ship then get ready to laugh through an experience unlike any other

Chapter 1 How Easy Is Romance on a Cruise Ship I had been onboard my first ship for five days when I went to the crew bar and met a woman from Trinidad and Tobago She was a black woman and she was overweight maybe even a little flabby but such a sweetheart I saw her the next night in the crew bar and she looked upset so I went over and sat down What s wrong I asked I just had an argument with the chief purser she said with her Caribbean accent That s too bad Yes I do not get along with the pursers on this ship very well she said starting to tear up a little I do not have many friends onboard Although I liked her I could understand why others might shy away She had slow almost voodoo like mannerisms that bordered on creepy But she was so easy to talk to and like me perfectly content to sit and talk one on one So do you have a girlfriend she asked changing the subject No Have you been with anyone on the ship yet Nope It s actually been twelve years since I slept with someone Come on now It s true I said and then told her why more on that later Hmm That s fascinating You know I used to sleep with a skinny white guy from England on my last ship You remind me of him Oh yeah He and I had lots of fun and I never left him unsatisfied I may not look it but I m actually a really good lover You don t say I ve been with lots of men in my day I m forty one after all And in my years I ve learned exactly what men like and how to please them And now she took a sip of her drink and now all the men I sleep with are extremely satisfied I had always imagined athletic girls especially flexible athletic girls to be the best lovers But this lady from Trinidad had me rethinking

that assumption Maybe it was just another one of the after effects of abstinence but those voodoo mannerisms were now bordering on sensual Would you like to have sex with me she asked taking another sip of her drink We could go to my cabin right now Woodrow I couldn t believe how quickly the opportunity had presented itself I might be interested in that Might Yeah But not right now Yeah not just yet Okay well you think about it and I ll call you later this week She got up and left me at the table alone with my thoughts My cabin phone rang at 8 00 p m two days later Hi it s me she said How are you I m good How are you I responded Good good Are you ready to do what we talked about the other night she asked wasting no time on idle chit chat *African Americans* Darlene Clark Hine,William C.
