ATONUS L PERRY has always been fascinated with tales of fantasy and wonder. Being the son of a librarian, he spent many of his weekends and summers reading books. The only thing he loved more than reading was indulging in creative writing. As he matured, he began to take an interest in Japanese animation, comic books, and role-playing video games. After immersing himself in the media storylines he loved so much, he discovered that there was not enough action in most of the stories he loved. So he vowed to one day write a story that was not lacking in action. One day after an assignment in one of his college English classes called for an outline of an epic adventure, he made good on that vow and began writing stories that deliver page-turning action. He writes for the people who feel dissatisfied with the stories they love so much.

Atonus L Perry lives in Shreveport, Louisiana, with his son, Isaiah Alexander Perry.
