Magical Personality:

The Magical Personality Mike Leslie, 2002 What s your magical personality Dragon Pegasus Mermaid Written by a professional psychologist and psychotherapist this book outlines 12 different personality types based on the four elements of the ancient world **Ogdoadic Magick** Norman R. Kraft, 1999-11-30 A credible and meaningful text for the initiate Aurum Solis includes a clear definition of magic for readers who want to undertake a reliable study of magic drawing on multiple sources Ogdoadic magic employs the eightfold star as its symbol of the earnest search for union with the divine By examining the history of Western civilization to illustrate the esoteric significance of the number eight in Western spiritual traditions Kraft establishes the Order Aurum Solis in a 20th Century context Practical Solitary Magic Nancy B. Watson, 1996-11-01 Many students don t want to be tied to a particular group or spiritual tradition but prefer to search experiment and grow on their own this book is perfect for these people Watson discusses the principles that underlie magical practice in a very easy to understand manner She includes information on affirmations visualization spiritual practices folk magic and ritual Safety measures and ethical considerations are stressed throughout *Germanic Magic* Gunivortus Goos, 2019-09-27 The three parts of the book are separated fields and deal with different facets of the runes Part 1 gives among other things a fair summarizing historical overview whereby corresponding finds and their possible interpretations are not left out Part 2 offers many passages in related mythology and the Norse sagas where runes occur the corresponding quotes are included These two parts form an important foundation for the third part which deals with the use of runes in modern magical practical usage After decades of study of various western streams and schools of magic and a thorough study of the runes the author has managed to combine both The result is a unique modern rune magic which is presented in the third part of the book
