**The Mistaken Mail Order Bride** Ruth Ann Nordin,2016-05-15 Eric Johnson has been writing to his mail order bride for months and at long last the day she s due to arrive has come Only the young lady who comes off the stagecoach isn t at all what he expected She s homely in appearance and she has an orphan child with her However he is a man of his word so he s going to marry her He had enjoyed their correspondence over the past year after all and really initial impressions aren t everything But when the preacher pronounces them husband and wife he finds out she s the wrong lady Caroline Benton s just as shocked as he is not realizing she d gotten off at the wrong town and followed the wrong man home Why oh why didn t she think to ask him his name Now she and the orphan child she brought with her are stuck in a strange town with a man who d been waiting for someone else She can t imagine he s at all happy to be paired up with her for the rest of his life Not only is she rather unattractive but she doesn t know the first thing about housekeeping Just what is she supposed to do to convince him it s not the end of the world that he married the wrong mail order bride

*The Deaf Mail Order Bride* Terri Downes,2020-07-25 Who would want a wife who could not understand them It was easier to forget about marriage altogether But when the advertisements for mail order brides had been passed around the other girls she had seen them pulling faces over one in particular A man who seemed to want nothing more than someone to take care of his household and his brother s children The other girls had pushed the advertisement aside in favor of those who claimed to be looking for true love and girls of character and other such romantic nonsense Delia had taken the advertisement when the others weren t looking and written to the man Scott And as she had hoped he was clear about what he wanted A housekeeper a carer an additional member of the family to take responsibility for the children Nothing more Delia had been tempted to try and explain her problem to him Perhaps if he might not mind she thought as they weren t going to be having children of their own But then he wanted someone he could rely on There was little chance she could convince him that her problems with listening would not affect her work no matter how many coping strategies she had worked out over the years Like the notebooks she used to write down the things she did understand knowing she might quickly forget them But she could never forget about her desire to be married if only if only she could find a man who could understand
