

EXAMPLES OF MAGICAL THINKING:

If I use THIS mug I'll have a good day!

I caused a thing to happen by thinking about it!

If I ignore my symptoms, they'll go away!

If I want something bad enough, it will come to me!

If I don't talk about my past, it won't impact my life now!

If I avoid the thought, the bad thing won't happen!

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of
