Lukes Proposal:

Luke's Proposal Lois Faye Dyer,2011-08-16 He s the last man in the world she should even be talking to But Rachel Kerrigan needs rancher Luke McCloud s help despite the fact that their families have been feuding for as long as the Hatfields and McCoys To get back the land the Kerrigans stole from his family generations ago Luke is more than willing to turn Rachel s unruly horse into a champion And they both agree it s strictly business So what if Luke is the hottest cowboy Rachel s ever seen Or that the memory of the one kiss they shared years ago haunts her dreams Luke s trying to get Rachel s horse under control but the rising attraction between them could prove much harder to rein in

The Writings of Luke and the Jewish Roots of the Christian Way J. Andrew Cowan,2019-02-21 J Andrew Cowan challenges the popular theory that Luke sought to boost the cultural status of the early Christian movement by emphasizing its Jewish roots associating the new church with an ancient and therefore respected heritage Cowan instead argues that Luke draws upon the traditions of the Old Testament and its supporting texts as a reassurance to Christians promising that Jesus life his works and the church that follow legitimately provide fulfilment of God s salvific plan Cowan s argument compares Luke s writings to two near contemporaries Dionysius of Halicarnassus and T Flavius Josephus both of whom emphasized the ancient heritage of a people with cultural or political aims in view exploring how the writings of Luke do not reflect the same cultural values or pursue the same ends Challenging assumptions on Luke s supposed attempts to assuage political concerns capitalize on antiquity and present Christianity as an inner Jewish sect Cowan counters with arguments for Luke being critical of over valuing tradition and defining the Jewish people as resistant to God and His messages Cowan concludes with the argument that the apostle does not strive for legitimisation of the new church by previous cultural standards but instead provides theological reassurance to Christians that God s plan has been fulfilled with implications for broader debate

Interweaving Innocence Heather Marie Gorman,2015-11-09 In this study Heather Gorman analyzes Luke s portrayal of Jesus death in light of the ancient rhetorical tradition particularly the progymnasmata and the rhetorical handbooks In addition to providing a detailed up to date exegetical study of Luke 22 66 23 49 she argues three things First through the strategic placement of rhetorical figures and the use of common topics associated with refutation and confirmation Luke structures his passion narrative as a debate about Jesus innocence which suggests that one of Luke s primary concerns is to portray Jesus as politically innocent Second ancient examples of synkrisis suggest that part of the purpose of Luke s characterization of Jesus in the passion narrative especially when set in parallel to Paul and Stephen in Acts was to set up Jesus as a model for his followers lest they face similar persecution or death Third Luke s special material and his variations from Mark are explicable in terms of ancient compositional techniques especially paraphrase and narration and thus recourse to a special Passion Source is unnecessary

A Study of Luke's Gospel by the Questionnaire Method Rollin Hough Walker,1921 *Critical and Exegetical Commentary on the New Testament: Mark and Luke* Heinrich August Wilhelm Meyer,William Purdie

Dickson, Frederick Crombie, 1877 **Luke's Portrait of Gentiles Prior to Their Coming to Faith** Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke's portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke's direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke's notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke's portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author's thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God's saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke's narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke's portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives **The Formal Education of the Author of Luke-Acts** Steve Reece, 2022-06-16 Steve Reece proposes that the author of Luke Acts was trained as a youth in the primary and secondary Greek educational curriculum typical of the Eastern Mediterranean during the Roman Imperial period where he gained familiarity with the Classical and Hellenistic authors whose works were the focus of study He makes a case for Luke's knowledge of these authors internally by spotlighting the density of allusions to them in the narrative of Luke Acts and externally by illustrating from contemporary literary papyrological and artistic evidence that the works of these authors were indeed widely known in the Eastern Mediterranean at the time of the composition of Luke Acts not only in the schools but also among the general public Reece begins with a thorough examination of the Greek educational system during the Hellenistic and Roman Imperial periods emphasizing that the educational curriculum was very homogeneous at least at the primary and secondary levels and that children growing up anywhere in the Eastern Mediterranean could expect to receive quite similar educations His close examination of the Greek text of Luke Acts has turned up echoes allusions and quotations of several of the very authors that were most prominently featured in the school curriculum Homer Aesop Euripides Plato and Aratus This reinforces the view that Luke along with other writers of the New Testament lived in a cultural milieu that was influenced by Classical and Hellenistic Greek literature and that he was not averse to invoking that literature when it served his theological and literary purposes The Right Rev.
