The Book of Merlin John Matthews,2020-09-15 Merlin remains the most famous and familiar image of the magician we possess In this new book Arthurian expert John Matthews examines the many guises of Merlin **Merlin and the Discovery of Avalon in the New World** Graham Phillips,2005-10-12 The first book to present the true identity of the mythic figure Merlin Uncovers historical evidence that the legend of Merlin was based on the life of a real man Reveals that Avalon Merlin s final resting place was an island in the United States The legendary figure Merlin is known throughout the world as the wizard of Camelot who was counselor to King Arthur and helped that monarch create the Round Table Through the course of a 20 year investigation Graham Phillips has uncovered evidence that this famous story was based on the life of an actual historical figure the son of a Roman consul who became the last of the Romans to rule Britain in the fifth century A D Furthermore the evidence reveals that he died and was buried in what is now the United States According to legend Merlin ended his life on the mystical island of Avalon A 1500 year old saga tells how Merlin left Britain on a boat bound for a mysterious island to the west The places described in Merlin s voyage Phillips argues would only have been seen by someone who had journeyed to the New World For example the island where boiling fountains bubble from the ground could be the geysers of Iceland and the island with rivers of ice the glaciers of Greenland During his research Phillips discovered that a site believed to be Merlin s grave was found by the first British settlers in North America a secret location said to have been preserved in the works of William Shakespeare and the coded writings of the Freemasons Phillips follows a trail of historical clues that leads ultimately to a mysterious New England tomb Here a final encrypted message not only reveals the whereabouts of Merlin s grave but contains evidence that Merlin s descendants still survive and through a merger with the Spencer family of Princess Diana may once again ascend the British throne *Merlin* Geoffrey Ashe,2011-11-08 Geoffrey Ashe s book on this legendary figure offers a succession of surprises The Merlin of legend was born to be a magician He was immaculately conceived and was able to interpret dreams and utter prophecies Even his fate was imbued with magic Like Arthur he acquired immortality and sleeps on Bardsey Island in a subterranean chamber with nine companions Ashe reveals the man behind the myth establishing beyond doubt the historicity of a Welsh prophet called Myrddin Emrys Despite his supernatural status it is Merlin of all the great characters of the Arthurian world who has the strongest claim to have existed
