1 and 2 Timothy and Titus Robert W. Wall,Richard B. Steele,2012-12-19 This theological commentary on 1 2 Timothy and Titus by Robert Wall powerfully demonstrates the ongoing relevance and authority of the Pastoral Epistles for the church today Wall uniquely employs an apostolic Rule of Faith methodology for interpreting these texts as sacred Scripture Three successive historical case studies by Richard Steele vividly instantiate key themes of the Pastorals This innovative yet reverent volume will help revive the interest of students pastors and other Christian leaders in the Pastoral Epistles [The nature, design and general rules of the Methodist societies established by John Wesley](#) John Wesley,1798 **New Life in the Risen Christ** Jonathan A. Powers,2023-05-26 Baptism is a foundational rite and sacrament of the church Over the centuries the significance of baptism for Christian life and faith has been confirmed by the church but baptism remains a highly controversial topic Numerous disagreements exist between denominations and faith traditions including the various descendants of the original Methodist movement over the doctrine and practice of baptism Who can be baptized Why is baptism done What does the rite mean *New Life in the Risen Christ* A Wesleyan Theology of Baptism seeks to address confusion over baptism and offer a coherent treatment of the sacrament from a Wesleyan theological perspective Distinguished scholars from around the world are brought together in this volume to examine the writings of John Wesley and offer scholarly reflections on topics related to the sacrament of baptism Their work is an invitation to remember and be thankful for baptism as the sign of divine grace that initiates Christians into a new reality life in the risen Christ

Receptive Ecumenism and the Call to Catholic Learning Paul Murray,2010-05-06 This volume proposes a fresh

strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other s gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesialists professional ecumenists sociologists psychologists and organizational experts Meet the Goodpeople Roger Ross,2015-10-20 Ever felt stuck in ways of doing church that produce less and less fruit each year John Wesley sure did until he stumbled on to seven ways to connect with non churched people that ignited a revival Discover how those seven methods of early Methodism recast for the 21st century can bring fresh faith to pre Christian people and unleash a new wave of the Spirit in our day Discussion guides in each chapter facilitate interaction for leadership teams and small groups and offer practice for successful implementation I was inspired This is a terrific read that my leadership team will be reading together Adam Hamilton Senior Pastor The United Methodist Church of the Resurrection helpful to pastors and laity alike Scott Jones Bishop Great Plains Conference UMC Roger shares the spiritual core that leads and sustains vital life changing ministry Mike Slaughter Senior Pastor Ginghamburg United Methodist Church A beautifully written book Bill Easum Author Consultant and Founder 21st Century Strategies Inc seven practices worthy of conversation contemplation and promulgation Jonathan D Keaton Bishop Illinois Great Rivers Conference UMC helpful to Christians across the denominational landscape Study it in groups It will deepen your faith and help you move far beyond church walls Martha Grace Reese Author of Unbinding the Gospel Roger invites us to see love and relate to the neighbors all around us with a new heart and new eyes Gregory Vaughn Palmer Bishop West Ohio Conference UMC Roger shares how pastors and church leaders can shape the culture of their church to reach people Jim Griffith Griffith Coaching **The Fullest Possible Love** Paul W. Chilcote,2024-08-20 A new and age old way of practicing the Christian faith What does Wesleyan theology and the Methodist way of life have to do with Benedictine ideas and practices Renowned teacher Paul W Chilcote reveals surprising and profound similarities and overlaps in the practices and theological convictions of these two Christian streams Chilcote is a United Methodist scholar elder and serves as a Benedictine oblate He writes from his own spiritual life offering a gift to readers who are interested in Methodism

Munroe,1873 *General Rules and Methodist Disciplines 1785 -1789* John Wesley,1992 John Wesley s insistence on strict discipline for himself was early extended to those who chose to join his movement Persons who wished to retain their membership in Wesley s societies were expected to follow three General Rules 1 doing no harm 2 doing good and 3 attending upon all the ordinances of God First published in 1743 under the title *The Nature Design and General Rules of the United Societies* these three simple rules constitute Methodism s first book of discipline As the title hints the rules were prefaced by a brief history of the Methodist societies and their organization Examples were offered to illustrate the ways in which each of the three general rules were expected to work out in practical living John Wesley claimed that both the principles and their application were based upon the New Testament and the practice of the Apostolic Church especially as depicted by William Caves *Primitive Christianity* *Bulletin of the John Rylands University Library of Manchester* ,2005
