**Miracle in Mexico** Janet Myers, 2020-09-15 I lay on the ground counting miracles no fire none of us should be breathing There were pieces of airplane and equipment and radio parts hanging in the branches And then miracle of miracles voices through the trees Help coming so soon We had flown past the second story windows of a technical college there in the wilderness Someone had been looking out the window saw the plane and said to others Gather your things There s a plane out there and it s going to crash They were on their way before we hit the ground Of course they spoke Spanish but I heard them ask who to contact for us There are many losses and tests as we walk this road but the joys and pleasures are many as well and we know at the end of our earthly journey there is unspeakable joy and pleasures evermore Miracle in Mexico
