Miracles And Blebings:

Miracles and Blessings Only Come to Those Who Notice Them Jo S Baggett,2012-06-01 Miracles are indeed all around us Jo does a phenomenal job in relaying the miracles and blessings that have occurred in her life as well as in the lives of her family members The spirit of the Lord radiates through her writing She uplifts all of those around her This book will change your perception on the unseen and truly open your eyes to the glorious riches that God abundantly gives His children Mary Kathryn Christian co worker I have been acquainted with Jo for quite some time She is one of the most spiritual women that I have ever known Even in the midst of her tragedies and heartaches she has always been a witness for Christ Jo has inspired me by staying positive and keeping her faith in the Lord After reading the stories she has written some will make you laugh others will cause weeping she speaks directly from her heart Marge Bunn Bean s Groomer At times Jo has been hard pressed on every side Far from being crushed or in despair she has never lost heart She has faith that moves mountains and is full of joy Jamie Stewart co worker This is an amazing story of the miracles and blessings bestowed upon one who has totally surrendered her life to Christ In victory tragedy or simply living each day Jo effectively illustrates through faith and intimacy with God how one can live in a supernatural presence of joy This joy supersedes all earthly challenges and circumstances As you will see Jo s faith is like a second kind of sight in which she sees Christ right beside her Her story is wonderfully inspiring and encouraging Her hope and prayer is for you to experience the marvelous miracles and blessings that God desires for you Breck Tyler President of Mortgage Services

Blessings and Miracles Stephen Mugabo,2020-02-25 Blessings and Miracles in the perspective of a relationship with God and His divine intervention in our lives we learn how different factors contribute consequently to the quality of life we live The actions choices and attitudes we have and express every day affect how the blessings and miracles accomplish their purpose in our lives Blessings and Miracles have been and are still a medium for God to work in our lives God performs miracles for us to believe that Jesus is the Christ the Son of God and through having faith in Him we experience eternal life by the power of His Name John 20 30 31 Blessings are in most cases conditional and received through a process A blessing can also be a resource a resource is a source of supply or support and it is again an available means or productive factor required to accomplish a given activity Therefore blessings are supposed to help us achieve the purpose of our life in this world It is the Father s good pleasure to have a relationship with you to bless you to heal you and give you a complete restoration A miracle is applicable in a crisis or in a problem that we can avoid or that is unavoidable While with God s blessings we can avoid a position that would put us in a crisis in the first place when we apply godly principles take the right actions and have the right choices God wants us to live a life full of blessings Barak Having a relationship with Him living by His principles having the right character and living by His Word for our welfare
