## **Miracles Of Our Time:**

*The Miracles of Jesus* Peter Negron, 2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle. But today it seems as if miracles have become a part of the past. We don't hear of many miracles and more people, even some in the Christian community, have stopped believing, expecting, or even waiting for a miracle. So where are the miracles? The *Miracles of Jesus* is for anyone who is interested in miracles. Needs a miracle or knows someone who needs a miracle from the Lord. Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles, including the real miracles of Jesus that we can read about in the Word of God. By showing you how to position yourself for a miracle, these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers. Miracles are a sign from God and these miraculous signs help people believe in Jesus. And while some may receive a sudden miracle, many others must also make the effort to position themselves in the right place, take the right steps, and put their faith in God. In every case, though, we must simply trust in God and in his grace and mercy, and through prayer we will be in a position of faith, both for ourselves and for others in need of a miracle. *Miracle as*

*Modern Conundrum in South Asian Religious Traditions* Corinne G. Dempsey, Selva J. Raj, 2009-01-07 Claims of the miraculous are foundational to faith and skepticism, making and breaking religious careers and movements in their wake. Drawing on a variety of South Asian religious traditions: Hinduism, Buddhism, Islam, Christianity, this book revolves around the theme of conundrum, demonstrating how miracles offer divine proof, tenacious embarrassment, and in many cases, both. The contributors explore not only how modern miracles are conundrums themselves, but also how they make conundrums out of assumed divides between scientific and supernatural realms, modernity and tradition, the West and the rest, and ethnographer and native. Book jacket. *The dangers of false miracles* Benedeth Uchendu, 2019-07-19 The purpose of this book is to bring a revolutionary to my beloved readers. This book will make you understand that depending on a miracle will not give you a solution to any problem, but what will give a solution to your problems is your efforts, hard working, and diligent. Through this book, you will get your mind set, renovate. It will help you to know the dangers and damages of depending on a miracle, what it has caused in the societies and the lives of people that depends on it. Believing that is the only solution to their problems.
