Ruth Pendergast Sissel

Miraculous Me:

Miraculous Me Ruth Pendergast Sissel, 2014-04 What thoughts crossed your mother's mind the first time she saw you What dreams did your father hold in his heart Told from the perspective of a baby in utero whose parents are seeing the ultrasound picture for the first time A colorful and inspiring way to instill the message that we are each wonderfully treasured and made Fun Fact In early spring 2013 while putting socks on her newest daughter's feet the author Ruth spoke out loud Look at those toes where will they go In a moment of sheer inspiration she grabbed her eldest daughter's Tinkerbell notebook and between folding laundry and scrambling eggs wrote the manuscript for this book Encountering John Andreas J. Köstenberger, 2002-02 The uniqueness of the Gospel of John is readily apparent In contrast to the overlapping material in the Synoptic Gospels John shares only about ten percent of its content with Matthew Mark and Luke John's distinct focus on Jesus' life as the culmination of salvation history makes it the theological pinnacle of the gospel tradition and establishes its author along with the apostle Paul as one of the early church's foremost theologians Not a traditional commentary on the book this volume like others in the Encountering Biblical Studies series is designed especially for classroom use A lucid writing style and a number of pedagogical enhancements make this a perfect tool for helping students master the content and key interpretive issues of the Gospel of John Like the other volumes in this series the pedagogical usefulness of this work is enhanced by a number of features copious illustrative tables maps and photos sidebars and excursuses that address difficult passages and important issues an outline and objectives at the beginning of each chapter study questions and key terms at the conclusion of each chapter a comprehensive glossary and annotated bibliography instructor's manual available on diskette The Index ...
