Money For Ministries:

Money for Ministries Wesley K. Willmer, 1989 For those who support ministries with their money and for those who ask it is just as important to know why as it is to know how to provide and seek funds Because the quality of financial support and asking should be different for Christians this book provides a practical and useful theology of stewardship to guide those who give and those who ask for funds Money for Ministries is in part an outgrowth of the Funding the Christian Challenge conference which attracted over 600 participants representing 400 evangelical organizations it also reflects the long held desire of the editor Wesley Willmer for a substantive guide to Christian stewardship This book is written expressly for financial supporters of ministries college and seminary classes pastors and church leaders professional and volunteer fundraisers parachurch and other ministry leaders consultants in raising money board members and other volunteers financial counselors concerned laypersons Jacket flap

Money Matters in Church Aubrey Malphurs, Steve Stroope, 2007-07-01 Money Matters in Church helps leaders to discover a one stop comprehensive model for managing finances and fundraising It guides leaders of any size church or ministry to create a culture of giving that supports savvy faithful and legal financing The authors present a biblical theology of stewardship that supports ways to develop donors and maximize contributions enact a strategic budget and effective audit process project income and expenses work with banks compensate staff and address debt The book's practical step by step approach makes finance issues understandable for leaders without a business background

Letters From The Almoner Nathan Krupa, 2021-02-25 A tree just fell through the roof of the church OH NO Let's have a bake sale so we can fix it If you've ever heard this conversation or one like it you might realize that you need better tools than cookie sheets to raise big money But where do you start Great fundraising starts with a powerful mission and you have a mission that comes straight from Almighty God Go therefore and make disciples of all the nations Letters from the Almoner will teach you how to raise money for your church or ministry Join the Almoner as he writes to both his parish priest and a determined volunteer about the ins and outs of fundraising in a small poor church You'll learn the nuts and bolts of how to raise money effectively You'll also discover that fundraising can be a powerful opportunity for conversion for the fundraiser and the donor Letters from the Almoner will help you move beyond bake sales to mission focused fundraising that really works It has to souls and lives are at stake A very useful tool for pastors so many of whom are called upon to seek funding for projects in their parishes There is a fair amount that is available for them regarding what is commonly called stewardship but not a lot on fundraising There should be a willing audience for this helpful volume in the epistolary style Bishop Joel M Konzen Archdiocese of Atlanta

The Business of Ministry Jeff Simmons, 2024-01-02 When Jeff Simmons started in ministry he was surprised at how much of his time involved business Yet business was never a part of his theological education He's not alone Most people in ministry receive little or no training in this area When faced with multiple business decisions and tasks a day leaders can become discouraged or frustrated We need help and guidance to

become effective and wise stewards of the money and resources entrusted to us by God Pastor and entrepreneur Jeff Simmons equips you with the training you need to have the greatest kingdom impact When pastors and nonprofit leaders are good at the business side of their ministry more people can be blessed and supported Simmons explores topics such as The Tension between Faith and Business The Importance of Strategic Planning Financial Transparency Resources and Buildings Work and Life Balance Developing a Community and more This book will help every ministry church and nonprofit maximize their resources for greater kingdom impact

How to Increase Giving in Your Church George Barna, 1997-07-22 One of the most difficult tasks facing any church leader is the issue of raising funds It s not that we don t realize that tithing and giving are biblical issues God s Word is full of strong statements about the stewardship of money But how does a pastor convey God s heart for stewardship Literally what s the best way to raise the money your church needs to survive Obviously God is the one who builds the church and he is the ultimate provider But what s the best process of shepherding the funds he has for your church This step by step guide will give you tools you need to raise funds in your church scripturally and successfully without compromising biblical integrity After all it s God s church and his mone but our responsibility to manage it
