Hurting people want a God who is big enough to rescue them from heartache and circumstances beyond imagination. But even if they believe that such a God exists, they may have no idea how to approach him, much less how to ask him for the impossible. In this powerful book, Linda Evans Shepherd shows readers how to reach out to God and ask for a miracle. She shows how God's miracles may not come packaged in the ways we would expect, but they do come in ways that will transform our lives. This book will be a comfort to those who struggle with faith yet still dare to believe that God cares. Through solid biblical teaching and real-life stories of answered prayer, Shepherd walks with readers on a journey to renewed hope and the assurance that God still works miracles.

Define Your Destiny Through Prayer Sue Curran, 2012-08-21 Holy Spirit Prayers: Prayer connecting with God's wisdom through your born-again spirit. In *Define Your Destiny Through Prayer: Your Journey to Divine Revelation*, you will learn how the Holy Spirit can teach you how to pray according to the will of God to establish your personal Spirit-breathed destiny. Today you can live in the supernatural realm of prayer to experience revival, healing, miracles of finance, and a harvest of souls. Miraculous intervention can characterize your life through simple obedience in a Spirit-led walk with God. Now He who searches the hearts knows what the mind of the Spirit is because He makes intercession for the saints according to the will of God. Romans 8:27. Learning the principles for walking in the Spirit teaches you the practical aspects of allowing the Holy Spirit to guide you and pray through you to establish His exciting and fulfilling purposes for your life.

Remarkable Miracles G.C. Bevington, 2001-04. What happens when an individual believes in the power of prayer? How does prayer change your circumstances? Why does God want you to pray? Why kind of miracles can you expect from prayer? G.C. Bevington was a simple man who entered a relationship with God that will challenge you. Travel with him through the Ohio-Kentucky countryside as he brings that fire of God to the people he encounters. You will be encouraged by the many wonders God works through the life of this one simple obedient servant. *Remarkable Miracles* is a Christian classic of faith and power and a spiritual lesson on how to have remarkable miracles in your life or ministry.

Prayer John R. Rice, 2000-08. God still answers prayer. Dr. John R. Rice opens the Bible to help believers better understand prayer and develop a relationship with their Lord.

PRAYER A to Z: A Comprehensive Bible-Based Study of Prayer Stephen Nielsen, 2014-07-12. This newly revised 738-page study of prayer is everything you would ever want to know about prayer. Its fifty-two chapters, arranged in alphabetical order, include forty prayer topics and a five-chapter survey of the prayers of the Bible. With its detailed table of contents, this book would make an excellent resource for your own Bible study on prayer. There is nothing else like it.

The Alchemy of Prayer Loretta M. Siani Ph.D., 2011-04-15. *The Alchemy of Prayer* offers an eminently readable step-by-step spiritual guide that puts the complex metaphysics of prayer taught in *A Course in Miracles* into everyday terms. If you're skeptical about the power of prayer or have little faith in the traditional Christian approach to prayer, this book is for you. Its central thesis is that prayer is not an act of communication that begins with us and ends with God, but rather that it is an act of communication that begins with God and ends with us. Were it not for this fact,

wed be oblivious to prayer Indeed The Alchemy of Prayer proposes that we were actually created out of prayer The power surge that emanated out of Gods first prayer not only sparked us into existence it forever established our minds as natural channels for receiving and sending His same kind of prayer This explains why today eons after creation were still wired for prayer Moreover it also explains why prayers not modeled after Gods primal prayer seemingly go unanswered All of this begs the question how is it that weve forgotten how to pray the way God wired us to pray How is it that the apple has fallen so far from the tree This intellectually engaging book seeks to answer these questions for you and aims to provoke a sea change in your fundamental thinking about the kind of God in which you believe as well as what true prayer really is
