Mis Películas:

Las películas de Luis Buñuel Peter William Evans,1998 Se han escrito ya muchos quizá demasiados libros sobre la figura mítica de Luis Buñuel seguramente el más conocido de los directores de cine españoles Pero más allá de los tópicos y los lugares comunes de su condición de azote de la burguesía y paladín del surrealismo existe una circunstancia muy poco pregonada que la presente obra se propone explicar en toda su amplitud Buñuel es una de las referencias inexcusables del cine moderno Y ello se demuestra a través de un extenso análisis que recurriendo a un singular enfoque de los más recientes estudios cinematográficos acaba centrándose en las cuestiones relacionadas con la subjetividad y el deseo De ahí que las películas de Buñuel se reflejen aquí como manifestaciones brillantes y subversivas de las fantasías de su director pero también como el producto de normas y preocupaciones culturales mucho más amplias Y de ahí igualmente que mediante el estudio tanto de su tendencia hacia la transgresión como de su precario estatus de exiliado Evans conceda la misma importancia a la totalidad de su obra desde los denostados melodramas mexicanos de la década de los cincuenta hasta clásicos del cine europeo como *El discreto encanto de la burguesía* Ese oscuro objeto del deseo o *Belle de Jour* Accesible imaginativo fascinante este libro puede considerarse la aportación definitiva al estudio de uno de los realizadores cinematográficos más importantes del mundo *Los directores y su cine* David Jenkins,2022-05-08 Las frases más reveladoras y trascendentales de los cineastas más visionarios de los cinco continentes acompañadas con fotografías y entrevistas y diseccionadas para comprender su fuente de inspiración De Cocteau a Kubrick y a los autores más actuales como adoptan los gigantes de la dirección cinematográfica un estilo que les ha hecho únicos en el panorama del cine mundial y que principios básicos siguen en la elección de sus temas y lo más importante por qué su cine nos interesa tanto 50 directores excepcionales entre ellos Ingmar Bergman Jane Campion David Lynch Ava DuVernay Mia Hansen-Løve Barry Jenkins Agnès Varda Jean-Luc Godard Kathryn Bigelow y Guillermo del Toro Este libro es una loa a profesionales llenos de talento del último siglo y el breve tramo del presente Todos ellos son contadores de historias responsables de su montaje y creadores de imágenes si bien su estilo sus recursos y su método son siempre únicos y personales la tan heterogénea naturaleza del cine como medio de expresión significa que muy rara vez dos directores coincidan en sus objetivos Qué hace que cada una de estas personas sea un director o una directora excepcionales **Mundial**,1921 **Almodóvar** Ladis García,2020-01-31 Soy completamente bisexual Los crímenes de cine de este país están más desprestigiados que los directores de prisiones Dar a dinero por tener fe en cualquier tipo de Dios Mi objetivo es conquistar Rusia y espero tener más suerte que Napoleón o Hitler Hace muchos años que no me drogo El Papa es un asesino múltiple Solo un personaje del calibre y la trascendencia de Pedro Almodóvar es capaz de aglutinar tal número de afirmaciones Unas opiniones que lo han convertido en centro de la polémica durante los últimos 40 años Sus películas lo han transformado en un ícono internacional galardonado repetidamente en un director admirado y respetado en todo el mundo pero eso no le ha librado de las críticas más feroces la mayoría de ellas

curiosamente procedentes desde España a una trayectoria personal y profesional tan grandiosa tan singular y a la vez tan controvertida merecía un repaso exhaustivo Tanto desde el punto de vista del propio Almodóvar como de aquellos que han convivido con la familia amigos actores críticos de cine políticos Y eso exactamente refleja este libro una biografía apasionante como no hay otra en el panorama español *Mundo hispánico*, 1915 **El universo dereniano: Textos fundamentales de la cineasta Maya Deren** Maya Deren, Carolina Martínez, Moira Sullivan, 2021-01-15 Presentamos aquí una segunda edición corregida y ampliada de esta antología introducida por la Doctora crítica de cine y profesora del City College of San Francisco Moira Sullivan una de las investigadoras de Maya Deren más importantes a nivel mundial La principal aportación a esta nueva edición que se abre con un pequeño poema de la cineasta de 1941 es el diario de rodaje de la película *The Private Life of a Cat* 1946 dirigida por Alexander Hammid y concebida por Deren se incluyen asimismo su declaración de principios completa los programas de mano de las presentaciones de sus películas también completos y algunas ampliaciones de los apuntes finales en torno a diversos temas como el referido a la poesía y el cine extraído de su intervención en el simposio *La poesía y el cine* de 1953 en el que participaron también Dylan Thomas Arthur Miller Parker Tyler y Willard Maas Figura controvertida donde la haya Maya Deren Kiev 1917 Nueva York 1961 fue una trabajadora incansable desde su más temprana juventud Fue escritora de prosa poesía y ensayos políticos y una apasionada de la danza y de la fotografía pero ante todo fue una cineasta amateur como a ella le gustaba decir en el sentido de amante que tuvo un modo particular de entender el cine Defensora ultranza del medio cinematográfico como forma de arte Deren nunca dejó en su empeño de buscar el lenguaje propio y único de este arte del tiempo y del espacio ni de luchar por su independencia del resto de las artes Maya Deren ha sido considerada además madre de lo que en aquel momento el crítico John Martin denominó *Choreocinema* y que podemos traducir como *Coreocine* forma precursora de la *Videodanza* A pesar de que por diferentes motivos la figura y la obra de Maya Deren han permanecido injustamente durante años en la sombra su labor y su herencia tanto creativas como técnicas han influenciado y lo siguen haciendo a multitud de artistas y su manera de trabajar contribuyeron en gran medida a la apertura de nuevos cauces de producción y distribución de la obra artística audiovisual Deren pertenece al tipo de cineastas y artistas que elaboraron toda una teoría sobre su propio arte de un modo creativo y analítico al mismo tiempo siendo demiurga de una poética y teoría del cine propias Ilustración de ello son los textos que presentamos en este libro todos inéditos hasta ahora en castellano y que nos ayudan a acercarnos al polidrico universo de este personaje complejo contribuyendo a una mejor comprensión de su obra cinematográfica y dándonos una idea de la enorme dimensión de su trabajo Esta recopilación engloba los textos que he considerado fundamentales en la obra de Maya Deren La mayoría son textos completos ordenados cronológicamente incluyendo entre otros su ensayo más importante *Un anagrama de ideas sobre arte forma y cine* al final del libro hay un conjunto de notas y diversos apuntes de Deren sobre sus películas y sobre diversos temas que pueden servir de guía rápida para acompañar el visionado de sus películas *Popular film*, 1930 *Alrededor del mundo*, 1918 *Over the Moon* -
