

Bibliografia numismatică a județului Buzău însumează 461 de referințe bibliografice însoțite de note despre tipul descoperirilor menționate și aduce în atenția cititorilor dificultățile generate de schimbările administrative și fluctuațiile granițelor formațiunilor istorice care constituie actualul județ Buzău. Pasionat autorului pentru studiul istoriei județului Buzău, precum și pentru studiul numismatic, stău măiestrie eforturile sale de a identifica informații despre descoperiri monetare izolate păstrate, pe de-o parte, în arhive și pe de altă parte, în scurte articole de presă locală, unele care surprind referințe despre tezaururi pierdute și rămase necunoscute. Bibliografia numismatică a județului Buzău devine astfel un ghid pentru istoria circulației monetare, precum și pentru istoria colecțiilor din muzeele românești, care păstrează în patrimoniul lor piese singulare sau tezaururi descoperite în acest spațiu istoric transcurat de-a lungul secolelor.

Bibliographia numismatică a județului Buzău includes 461 bibliographical references accompanied by notes on the type of finds mentioned and brings to the readers' attention the difficulties generated by the administrative changes and fluctuations of the boundaries of the historical formations that constitute the present Buzău County. The author's passion for the study of the history of Buzău County, as well as for the study of numismatics, is evidenced by his efforts to identify information about unpublished monetary discoveries preserved, on the one hand, in archives and, on the other hand, in short articles in the local press, sources that capture references to lost and unknown hoards. The numismatic bibliography of Buzău county thus becomes a guide to the history of monetary circulation, as well as to the history of the collections in Romanian museums, which preserve in their collections isolated pieces or hoards discovered in this area, which has been intensely transacted over the centuries.
