**Writers on the Storm**

Christy Cauley, 2011-03-02 Until now the most important thing in 14 year old Cornelia Drake's life was maintaining her rightful place just outside the most popular clique at Storm River High School. But when she is sentenced to community service for writing a racial slur against a Muslim teacher Mrs Hakim, Cornelia's world comes crashing down. She is forced to join Mrs Hakim's writing club *Writers on the Storm* where Cornelia is introduced to a group of extraordinary people from all walks of life including Admeta Vasquez, a classmate who makes no bones about despising Cornelia. When the two rivals become unlikely friends, they are thrown a curve ball when they discover that Mrs Hakim has breast cancer and may not make it. Cornelia is forced to choose between her precious clique and her new found friends. She can take the easy road or stand and fight alongside the teacher she once despised.

*Psychiatric and Mental Health Nursing* Mary

Chambers, 2017-04-07 This new edition of a bestselling evidence based textbook provides a comprehensive overview of psychiatric and mental health nursing. Keeping service users and their recovery at the centre of care, the holistic approach will help nurses to gain the tools and understanding required to work in this complex area. Extensively updated for this new edition, the text looks at Aspects of mental health nursing covering topics such as ethics, developing therapeutic relationships and supervision. The foundations of mental health nursing, discussing diagnosis, assessment and risk. Caring for those experiencing mental health distress, looking at a wide range of troubles including anxiety, bipolar disorder, eating disorders and issues around sexuality and gender. Care planning and approaches to therapeutic practice, exploring ideas, pathways and treatments such as recovery, CBT, psychodynamic therapies and psychopharmacology. Services and support for those with mental health distress, covering topics such as collaborative work, involvement of service users and their families and carers and a range of different mental healthcare settings. Mental health nursing in the twenty first century, highlighting emerging and future trends including the political landscape, physical health and health promotion and technological advances. This accessible and comprehensive textbook integrates service user perspectives throughout and includes student friendly features such as learning outcomes, key points, summaries, reflection points and further reading sections. It is an essential resource for all mental health nursing students as well as an invaluable reference for practising nurses.
