Griffey, Kathryn O'Neill, 2009 *Nursing Administration Handbook* Howard S. Rowland, Beatrice L. Rowland, 1997 This handbook presents the concepts of the administrative process as applied to the administration of healthcare delivery The purpose of the book is to provide a roadmap for nurse administrators to use as they negotiate their way through an increasingly complex and evolving field It is a text and a hands on reference Texts such as this are needed and authors objectives are met The book is a text for students and handbook for nurse executives My judgment is that it is for graduate students and beginning managers for the most part The authors are credible given it is their fourth edition of the book The illustrations include tables and examples of management tools that serve to highlight important points in the text References are mostly from the early to mid 1990s with some of the older more historical references The table of contents is thorough and easy to use This book covers thoroughly the concepts incorporated in the nursing administration domain The framework for organizing the chapters is an acceptable framework but not one I prefer The book is useful and the tables and examples are helpful I would recommend its use as a basic reference for graduate students in nursing administration Nurse Executive Exam Practice Questions: Nurse Executive Practice Tests & Exam Review for the Nurse Executive Board Certification Test Mometrix Test Preparation, Mometrix Media LLC, Nurse Executive Exam Test Prep Team, 2017-03-07 Nurse Executive Exam Practice Questions are the simplest way to prepare for the Nurse Executive test Practice is an essential part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you re already prepared enough to achieve success on your test day If you do well on the practice test then you know you re prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our Nurse Executive Exam Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our Nurse Executive Exam Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand The Trained Nurse and Hospital Review ,1913 A monthly magazine of practical nursing devoted to the improvement and development of

the graduate nurse The Nurse Executive's Coaching Manual Kimberly A. McNally, Liz Cunningham, 2010 The Nurse Executive's Coaching Manual provides a complete overview of coaching its value models how to hold a coaching conversation assessments and self development strategies for the coach Content is useful for coaching health care leaders from a variety of backgrounds not just nursing Reader exercises encourage practical application of material Appendices include coaching model assessment of core competencies and a sample agreement form **The Business of Nursing** American Organization of Nurse Executives, 1996-01-29 The Business of Nursing offers the latest insights and strategies for developing new practice skills and establishing new relationships with colleagues in and outside the nursing department *Catalogue* University of Oregon, 1928 **Modern Hospital** , 1928
