Nurse Kitty's Unforgettable Journey Maggie Campbell, 2022-05-12 An enjoyable read about love courage and discovery during a time of change in post war Britain A lovely story KITTY NEALE When Nurse Kitty becomes the NHS s poster girl for its overseas recruitment drive she swaps the grey post war backstreets of Manchester for the palm fringed island of Barbados But will her determination to save the NHS lose her everyone she loves It s 1949 and nurse Kitty Longthorne is still hard at work at Manchester s Park Hospital The one year old NHS is inundated by the nation s sick and dying made worse by a crippling labour shortage Now engaged Kitty and James adore each other but once they marry she will be expected to leave the job that means so much to her When she is offered the trip of a lifetime a voyage by sea to Barbados to recruit nurses to join Park Hospital s ranks adventurous Kitty is desperate to go Her brother Ned has been there for years and she simply cannot resist an opportunity to track him down and see what exactly he s been up to But what of her beloved James What of the baby she suspects she may be carrying Returning home Kitty has more to contend with than she ever anticipated a gravely ill father a dejected fianc and the close minded views of her peers upon the arrival of Kitty s first hardworking recruit Nurse Grace After paradise will Manchester ever be the same again An uplifting heart wrenching novel based on the true story of the first ever NHS hospital for fans of Donna Douglas and Nancy Revell Praise for NURSE KITTY S SECRET WAR A galloping read that conjures up life in a late 1940s hospital complete with fierce matrons and handsome doctors Nurse Kitty is a feisty heroine who sticks her neck out to protect her patients while trying to resolve her own family problems and heal her broken heart It s engaging and atmospheric GILL PAUL I m sure readers will love Nurse Kitty as she struggles to find true love when everything is going against it I loved the end of WW2 setting which is vividly imagined and the sheer energy of Maggie Campbell s pacy prose A perfect escapist read KITTY DANTON author of A Wartime Wish

Nurses' Clinical Decision Making Russell Gurbutt, 2018-12-13 This work includes a foreword by Carl Thompson Senior Research Fellow Department of Health Sciences University of York This inspiring text offers guidance and innovative ideas for teaching and learning It explains how nurses make clinical decisions through the development of narratives and how using narratives nurses gain a far more intimate knowledge of the patient than doctors can The book considers service delivery around patients renegotiation of professional roles of medical staff and their boundaries of responsibility and authority Nurses Clinical Decision Making will appeal to all undergraduate and postgraduate students of nursing registered nurses and nurse managers Nurse educators hospital managers doctors and healthcare risk managers will also find the information contained here invaluable If nurses are decision makers how can their role and practice be explained Can decision making be taught and are there different levels of decision making skill If so how can expert decision makers be recognised These are just some of the pertinent questions that need to be asked if we are to recognise and understand the centrality of clinical decision making in nursing practice Clinical work is complex and takes place in a complex environment

that centres around individuals who themselves are physically socially and spiritually complex Clinical work also involves multiple participants nurses doctors patients physiotherapists occupational therapists pharmacists to name a few who in the course of a days work can make scores of decisions Russell Gurbutt in the Preface **Best Nurse Ever Notebook** Shaina Tolhurst,2019-06-20 Best Nurse Ever Notebook is an amazing new notebook that helps every nurse keep notes to do lists ideas or use as a journal notepad organizer planner or diary Beautiful matte cover that is soft to the touch 120 lined pages that provide the perfect amount of space to write effortlessly 6 x 9 inch perfect size to carry around Super cute cover people will want to know where you got it Makes the perfect gift for anyone who loves nurses Grab yours today and get writing Best Nurse Ever Notebook is perfect for Nurse Appreciation Week gifts nurse retirement gifts nursing student gifts nurse graduation gifts nurse practiner gifts registered nurse gifts nurse thank you gifts nurse Christmas gifts Mother s Day nurse gifts and gifts for RN s LVN s LPN s and CNP s or any other reason It makes the best gift for nurses [How to Make It As A Student Nurse - E-Book](#) Claire Carmichael,Anne Marie Dodson,2023-04-21 This isn t just another book about anatomy or physiology it s a straightforward practical guide that answers all the common concerns and questions of every student nurse How to Make It as a Student Nurse has evolved from the online advice provided to student nurses in the UK by well known advocate and nurse Claire Carmichael She has teamed up with experienced nursing lecturer Ann Marie Dodson to provide a complete guide to being a student nurse from the application stage through to writing assignments passing exams undertaking clinical placements and working in a team This wonderful new guide is packed full of invaluable advice including how to handle your finances and juggle your caring responsibilities The content is supported by real life case studies and vlogs to summarise key points Engaging and easy to read ideal for busy students Easy to navigate takes you through each stage of the student nurse journey Covers the whole nursing degree experience Video vlogs to summarise key points Real life perspectives of nursing students Top tips on everything you will come across throughout your nursing education
