The Scope of Reincarnation William Q. Judge, 2011-07-01 *The Scope of Reincarnation* William Quan Judge, 1987-01-01 *The Scope of Reincarnation, By William Q. Judge* William Quan Judge, 1960 **Judaism and the Gentile Faiths** Joseph P. Schultz, 1981 Examines the historic development of Jewish religions thought in the cross cultural context of the world's major faiths The law ethics and mysticism of Judaism are compared with their counterparts in Confucianism Hinduism Buddhism Islam Christianity and the secular formulations of religion in modern times *The Twentieth Plane* Albert Durrant Watson, 1919 Messages from various spirits imparted to Louis Benjamin a medium **The Druze and their Faith in Tawhid** Anis Obeid, 2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author's appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East Reincarnation, 1921 Thresholds in Hindu-Buddhist Studies Arvind Sharma, 1979 Chiefly on Hinduism *The Temple ...* Paul Tyner, 1897 **The Andover Review**, 1893 **Rosicrucian Digest**, 1956 *The Temple*, 1897 **Annotated Book List 1990** Olcott Library and Research Center, 1990 *Aquinas, The Zika Virus and the argument for Catholic Abortion* Timb Hoswell, 2016-10-13 In Aquinas The Zika Virus and the Argument for Catholic Abortion Timb D Hoswell argues that a return to the doctrine of ensoulment as evinced by the Middle Church Fathers and enlightened by Aquinas would provide grounds for limited cases of Catholic Abortion within the scope and cosmos of Catholic Philosophy The doctrine of ensoulment contains the principle that only a body fit for rational ensoulment can be rationally ensouled Thus in cases of the Zika Virus where the damage is of such severity it results in a privation of the human form rational ensoulment is impossible and thus abortion is not an act of murder nor homicide since the effects of the virus place the foetus beyond rational ensoulment The book also argues for Catholic reincarnation based on Christ's revelation that John the Baptist is Elijah as well the possibility of a soul for Artificial Intelligence clones alien life forms and other forms of rational being with an embryogenesis different from our own Death and Afterlife Stephen T. Davis, 2016-01-06 This book began as a series of papers at a conference called Death and Afterlife

held in Claremont California in January 1987 under the auspices of the Department of Religion of the Claremont Graduate School The responses to each paper and several comments are also included **El Libro de Reencarnacion de Zolar** Douglas Southall Freeman,1996-11-18 Zolar shows readers how to uncover their hidden histories and benefit from important knowledge about their past lives Zolar discusses Jesus thoughts and teachings on reincarnation and examines the theories about past lives formulated by Jung and other psychologists *Subject Guide to Books in Print* ,1993 *U.L.T* ,1914

The Occult Review ,1910 **The Burning Bush** Edward Reaugh Smith,1997 Even more significant for Christianity in the long run than the twentieth century Dead Sea and Nag Hammadi discoveries is the growing North American awareness of Rudolf Steiner s works Virtually unavailable until the end of the twentieth century English translations from the German archives are gradually coming into print Both Steiner and his works have thus far been virtually unknown in traditional theological circles No Bible commentary has yet reflected the remarkable spiritual insights of Anthroposophy Now ten years after first encountering a written comment about Rudolf Steiner Ed Smith combines his own extensive traditional biblical knowledge with his years of concentrated study and reflection on hundreds of assembled works by Steiner The result is the first Bible commentary in the light of anthroposophic insight This is the first volume of a series of Bible commentary by the author It is based on the anthroposophic understanding given to humanity by Rudolf Steiner during the first quarter of the twentieth century Bible commentaries have always reflected the general line of thinking of their authors However the dramatic newness of anthroposophic thought means that perhaps the usual method of using a Bible commentary is not appropriate here A large part of The Burning Bush is necessarily devoted to laying an anthroposophic or spiritual scientific groundwork A major assumption indulged in most Bible commentaries that one can go directly to portions dealing with given passages of scripture and understand what is being said about them does not fit
