ACT Test "How to Score High on Your First Try!" FastTrackACT.com,2014-05-22 The ACT Test HOW TO SCORE HIGH ON YOUR FIRST TRY FastTrackACT com Provides over 300 example problems and step by step solutions to help you prepare for the ACT test It provides specific test taking strategies tips and hints and contains practice exams for each section English Math Science Reasoning Reading and the all new English Optional Writing Each section has specific strategies for tackling every question type and end of chapter drills to help you put your learning into practice How would you like to score a 28 without doing any difficult problems Contrary to what educators lead you to believe the ACT only tests your ability to take tests and requires very little actual knowledge to beat Getting a high score on the ACT test is not as hard as you might think It is actually quite easy to score high as long as you know how and what to study Since it is not an IQ test the ACT test is coachable You can train for it and score high by practicing specific skills to artificially inflate your score on exam day Studying for a multiple choice test requires a special method of preparation distinctly different from other types of test You will learn how to do this in this book A big part of why standardized tests are so evil is their ability to blind us to the obvious and practical Students are so more capable than what they are led to believe in school and can score in the high 20 s by simply preparing properly Students are often misled into thinking that they have to solve every question to get a decent score In reality students only need to answer about 60% of the questions right to get above to average ACT score The book teaches the key to scoring high by only spending time on questions that you re more likely to get correct in order to achieve your optimum score By playing the percentages and using time management techniques we show you how to spend more time answering the questions that matter For each test section we show you the types of questions that are most likely to appear on the actual test so you can practice solving them If you are considering studying for the Act test whether you are an A student who is trying to get a perfect score or a C student trying to get the best possible score this book will teach you how to score high on your first try

from getting straight A's in school. We don't try to teach you everything there is to know about math, reading, science, and English; only the techniques you'll need to score higher on the exam. There's a big difference. In *Cracking the ACT*, we'll teach you how to think like the test writers and use Process of Elimination to eliminate answer choices that look right but are planted to fool you. Ace the English test by learning how to spot sentence structure, grammar, and punctuation errors quickly. Crack algebra problems by plugging in numbers in place of letters. Score higher on reading comprehension by learning to zero in on main ideas, topic sentences, and key words. Solve science reasoning problems by scanning the passage for critical words. This book includes four full-length practice ACT exams on CD-ROM, one full-length practice exam in the book, and The Princeton Review Assessment Exam, a full-length diagnostic exam that will predict your scores on both the ACT and the SAT. All of our practice test questions are like the ones you will find on the actual ACT exam, and we include detailed explanations for every answer.

Cracking the AP European History Kenneth Pearl, 2000-01-25 We don't try to teach you everything there is to know about European history; only the facts and techniques you'll need to know to score higher on the Advanced Placement exam. There's a big difference. In *Cracking the AP European History 2000/2001 Edition*, you will learn to think like the test makers and eliminate answer choices that look right but are planted to fool you. Score higher on the multiple-choice section by using the chronological arrangement of questions as clues. Crack the document-based questions by knowing the right way to organize your answers. Earn more points by reviewing the European history most likely to be tested. Areas of study include The Renaissance and Reformation (1350-1600), The Age of Expansion and the Rise of Monarchical States (1500-1700), The Scientific Revolution and Enlightenment (c. Late 16th Century-18th Century), The French Revolution, Napoleon, and the European Reaction (1789-1815), Europe from 1815-1914, and The Twentieth Century. Also included are two full-length sample Princeton Review AP European History Diagnostic Tests with every answer fully explained.
