**Literature** Roberto del Valle Alcalá, 2025-12-16 An Open Access edition is available on the Liverpool University Press website thanks to funding from the Riksbankens Jubileumsfond This book offers an original reinterpretation of the literary history of British socialism in the long twentieth century and a theoretical investigation into the relationship between radical politics and writing more generally Through detailed close readings of fiction and other prose forms *Socialism and British Literature* argues that the discursively open and historically contingent language of the people where the people is understood as a political subject without necessary determinations or objective guarantees a people that needs to be assembled or imagined a people that is always yet to come is at the heart of literary engagements with the idea of socialism in Britain Across fictional and creative explorations of left wing politics from the nineteenth century ideological contexts which eventually gave rise to mass socialist movements at the beginning of the twentieth century to early twenty first

century recreations of radical politics what transpires is an impulse both to expand the discursive forms and identities of socialism and to disengage them from any given or fixed socio economic position

**Reconnecting Aestheticism and Modernism** Bénédicte Coste, Catherine Delyfer, Christine Reynier, 2016-10-04 Charting the period that extends from the 1860s to the 1940s this volume offers fresh perspectives on Aestheticism and Modernism By acknowledging that both movements had a passion for the new it goes beyond the alleged divide between Modernism and its predecessors Rather than reading the modernist credo Make it New as a desire to break away from the past the authors of this book suggest reading it as a continuation and a reappropriation of

the spirit of the New that characterizes Aestheticism Basing their arguments on recent reassessments of Aestheticism and Modernism and their articulation contributors take up the challenge of interrogating the connections continuities and intersections between the two movements thus revealing the working processes of cultural and aesthetic change so as to reassess the value of the new for each Attending to well known writers such as Waugh Woolf Richardson Eliot Pound Ford Symons Wilde and Hopkins as well as to hitherto neglected figures such as Lucas Malet L S Gibbon Leonard Woolf or George Egerton they revise assumptions about Aestheticism and Modernism and their very definitions This collection brings together international scholars specializing in Aestheticism or Modernism who push their analyses beyond their strict period of expertise and take both movements into account through exciting approaches that borrow from aesthetics philosophy or economics The volume proposes a corrective to the traditional narratives of the history of Aestheticism and Modernism revitalizing definitions of these movements and revealing new directions in aestheticist and modernist studies
