

1 INT. DAY: DON'S OFFICE (SUMMER 1945)

1

The PARAMOUNT Logo is presented austerely over a black background. There is a moment's hesitation, and then the simple words in white lettering:

THE GODFATHER

While this remains, we hear: "I believe in America." Suddenly we are watching in CLOSE VIEW, AMERIGO BONASERA, a man of sixty, dressed in a black suit, on the verge of great emotion.

BONASERA

America has made my fortune.

As he speaks, THE VIEW imperceptibly begins to loosen.

BONASERA

I raised my daughter in the American fashion; I gave her freedom, but taught her never to dishonor her family. She found a boy friend, not an Italian. She went to the movies with him, stayed out late. Two months ago he took her for a drive, with another boy friend. They made her drink whiskey and then they tried to take advantage of her. She resisted; she kept her honor. So they beat her like an animal. When I went to the hospital her nose was broken, her jaw was shattered and held together by wire, and she could not even weep because of the pain.

**William Faulkner in Hollywood** Stefan Solomon, 2017-08 During more than two decades 1932-1954 William Faulkner worked on approximately fifty screenplays for studios including MGM 20th Century Fox and Warner Bros and was credited on such classic films as The Big Sleep and To Have and Have Not The scripts that Faulkner wrote for film and later on television constitute an extensive and until now thoroughly underexplored archival source Stefan Solomon not only analyzes the majority of these scripts but compares them to the novels and short stories Faulkner was writing at the same time Solomon's aim is to reconcile two aspects of a career that were not as distinct as they first might seem Faulkner as a screenwriter and Faulkner as a high modernist Nobel Prize winning author Faulkner's Hollywood sojourns took place during a period roughly bounded by the publication of Light in August 1932 and A Fable 1954 and that also saw the publication of Absalom Absalom Go Down Moses and Intruder in the Dust As Solomon shows Faulkner attuning himself to the idiosyncrasies of the screenwriting process a craft he never favored or admired he offers insights into Faulkner's compositional practice thematic preoccupations and understanding of both

classic cinema and the emerging medium of television In the midst of this complex exchange of media and genres much of Faulkner s fiction of the 1930s and 1940s was directly influenced by his protracted engagement with the film industry Solomon helps us to see a corpus integrating two vastly different modes of writing and a restless author sensitive to the different demands of each Faulkner was never simply the southern novelist or the West Coast hack writer but always both at once Solomon s study shows that Faulkner s screenplays are crucial in any consideration of his far more esteemed fiction and that the two forms of writing are more porous and intertwined than the author himself would have us believe Here is a major American writer seen in a remarkably new way
