# SCREENPRINTING: WATER-BASED TECHNIQUES

The background of the cover is a detailed illustration of a screen printing process. It shows a curved metal frame holding a mesh screen. A squeegee is shown in the process of pushing ink through the screen onto a substrate below. The scene is lit from the side, creating strong highlights and shadows that emphasize the textures of the mesh, the squeegee, and the substrate. The overall color palette is dominated by browns, greys, and muted blues, with the yellow text providing a sharp contrast.
