Malone Mystery Novels Two Book Set No. 1 Larry Darter, 2018-05-02 Ben Malone is a modern day Los Angeles private eye in the mold of Chinatown's Jake Gittes and Raymond Chandler's Philip Marlowe a street wise smart mouthed tough guy with a heart of gold Two Book Set No 1 consists of the first two books in the series *Come What May* and *Fair Is Foul and Foul Is Fair* These two novels have an average reader review rating of 4.8 and 4.2 stars respectively We hope you enjoy these first two installments in the *Malone Mystery Novels* series and thank you for reading *Come What May* *Come What May* chronicles Malone's last case as an LAPD homicide detective It's a tale of deceit betrayal dark choices and murder that reviewers describe as gripping full of suspense and thrills and hard to put down Inspired by a shocking true story *Come What May* is a high stakes thrill ride through the gritty underbelly of the City of Angels and a look at the darker side of human nature Ben Malone is a veteran Los Angeles Police detective with a bright future ahead of him Or so he thought until he is caught up in a run of bad luck and his life starts falling apart The worst of it his unfortunate entanglement in a spate of fatal on duty shootings at a time when activists are protesting the use of deadly force by police and rioting all over the country On edge and questioning his judgment Malone's LAPD superiors speculate that he may be too quick to use deadly force Relieved from street duty Malone is sequestered in Robbery Homicide Division's Cold Case Homicide Section to keep him under wraps while he undergoes department mandated psychiatric evaluation But Malone and new partner Detective Jaime Reyes come across the files of a cold as ice 23 year old unsolved murder case The more they study the case the more certain they become that the theory pursued by the original investigators was completely wrong Since the decades old murder does not fit the unit's criteria for reopening a cold case for active investigation Malone and Reyes embark on an off the books investigation Predictably that creates some problems especially for Malone It quickly becomes clear that there are powerful forces at work both inside and outside the LAPD determined to keep the truth behind the murder buried along with the corpse The more resistance he encounters the more unwavering Malone becomes in his unwillingness to let sleeping dogs lie even when things start to get increasingly personal His persistence in digging up bones from the past begins to threaten his very career with the LAPD Even when the investigation sends him hurtling into more trouble than he ever dreamed possible Malone is unrelenting He is determined to solve the mystery and to uncover the truth behind the brutal 23 year old unsolved murder *come what may* *Fair Is Foul and Foul Is Fair* A gorgeous socialite A maverick investigator A deadly connection When a drop dead gorgeous socialite with a wad of cash walks into Ben Malone's office with a sordid tale to tell he does what any self respecting private investigator with rent to pay would do he takes the case But soon he realizes he may have bitten off more than he can chew As the body count rises and all signs point to the Ukrainian mob it becomes increasingly clear that there's far more at stake than his client's needs This mind boggling case just might hit too close to home for him and he has no

in a spate of officer involved shootings Once he comes to terms with the transfer Malone and new partner detective Jaime Reyes start digging into a 23 year old murder case The deeper they dig the more obvious it becomes that the original investigators had the murder theory all wrong But as Malone and Reyes keep digging up bones it soon becomes apparent that powerful forces both inside and outside the LAPD want this body to stay buried A high stakes thrill ride through the seamy side of Los Angeles Fair Is Foul and Foul Is Fair Former LAPD homicide detective Ben Malone has taken over the private detective agency of a dear deceased friend When a drop dead gorgeous socialite with a wad of cash walks into Ben Malone s office with a sordid tale to tell he does what any self respecting private investigator with rent to pay would do he takes the case But soon Malone realizes things are not always as they seem and he may have bitten off more than he can chew The clock is ticking Lives are on the line Will Malone stop this runaway train of destruction and untangle the web of criminal wrongdoing in time or die trying Cold Comfort One of Tinseltown s brightest stars has been murdered The accused is her estranged husband bad boy actor Zack Sinclair whose appetites for booze gambling and extramarital sex are as outsized as his ego His situation doesn t look good With next to no alibi and on the hook to his bookie for a quarter million bucks as sole heir to his wealthy wife s estate Sinclair had multi million reasons to kill his wife But Sinclair s attorney believes he is innocent at least of murder She hires LA private investigator Ben Malone to prove it
