

THE THIRTEENTH MURDER

The fire almost died out. Alam threw few pieces of wood into it. It's past midnight already. No one knows what creature can pop out from the shrubs around. So he made sure that the fire burnt properly.

Sitting in the woods, leaning against the trunk of the tree, he was completely drunk. The world seemed upside down to him. But he didn't care. Everything will be just fine again in the morning. After all, he can sense that inhuman pleasure in every inch of his body, every drop of his blood, after a very long time.

A short distance away lies the empty glass bottle, right next to where Eliot's dismembered body is stacked. Starting with his own family, this was the thirteenth person he has managed to murder.

Alam's cleaver was shining beside the fire. He had licked it clean off the blood. It was delectable. Of course it was, Eliot was just around twenty, in his late teens. And he is over thirty five. His sick body would have died a long time ago, if not for the delicious human torsos.

Years ago, when he first tasted blood, it was of his younger sister's. Then he tasted his mother's blood too. It was the night, when he was reborn. Who cares for parents. They're just a bunch of idiots, holding you back. Since childhood, he had been weak and ugly. His mother hated him for that very cause. On the other hand, his sister was a beauty. She was small and cute. And the little amount of money his unknown father used to send, was all spent on her. While he kept on rotting in a damp corner of the house.

His sister used get all the attention while he was the one who needed to see a doctor. His mother had given up all hopes on him and focused on raising her daughter with the limited fundings.

That was enough reason for Alam to kill them. And slowly began the marathon of murders in his life.

Alam stared at the chopped off head of Eliot. Its eyes glowed in the fire. There was blood everywhere. It looked as if the head was saying, "Why did you this? I did not do any harm to you. My family would be helpless without me. Why Alam? I trusted you. I thought we were friends..." How pathetic!

Did Eliot have a family? Alam wondered. Honestly speaking, Alam doesn't even know him very well. He just happened to notice him two days ago and made him his target.
