

"This brilliant effort is the US crime story at almost better than its best"—
Frank's (Los Angeles)

"The reader cannot afford to miss a single paragraph"—(*Illustrated London News*)

"Her plotting and plotting are certainly as good as in anything else being written today"—(*Times Literary Supplement*)

"The wonderful Emma Lathen . . ."—*F. E. Pardoe (Birmingham Post)*

"Has ever been so readable for best yet"—*Anthony Leyman (Tablet)*

"Answer to a prayer"—*Anthony Price (Oxford Mail)*

Emma Lathen's latest book is certain to arouse another outburst of praise. Her detective is again the elegant, silver-haired Senior Vice-President of the Sloan Guaranty Trust, John Thatcher, who this time is drawn into the power struggle at the top executive level of Michigan Motors, one of the Big Four of the American automobile industry. The Sloan is being asked to underwrite a big new stock issue by Michigan, but Thatcher has his doubts about it. It's not long since the firm was one of several convicted of rigging government bids and price fixing. Three of its top executives have been serving short prison sentences, and while the other firms have backed their convicted executives, as an earnest of future good intentions, Michigan seem about to prosecute their men. When Thatcher goes to Detroit to have a closer look, he discovers a general fear that if Jensen, in particular, is not prosecuted, he may turn nasty and reveal quite a lot more to the Department of Justice about Michigan's affairs. There is widespread conjecture and suspicion, too, as to the identity of the anonymous informant within the organization whose tip-off to the Department of Justice led to the investigation and trial. No, it's not a happy story.

And it becomes still less happy on the day of the gala ceremony arranged for the landing over, with the widest possible publicity coverage, of a very special super-car which has been built to the personal specifications of a missing Arab monarch, and which is to be collected by the crown prince: for at the ceremony, when the car's doors are thrown open for the prince's inspection, Jensen's corpse comes tumbling out . . .

What a splendid pleasure it all is!
