Murder On Deck:

MURDER ON DECK 9 LORENZO. PAGANI,2023 **Murder on Deck** Deb Graham,2017-05-20 Oh not again When mild real estate agent Jerria and her husband embark on an Alaskan cruise with friends she can't wait to enjoy one last vacation before the demands of a big change at home swamp her But against Alaska's beauty passengers begin suffering from a rash of illness that is more than routine Mal de Mer Jerria suspects they are being systematically poisoned Can she discover who's behind the nefarious plan before succumbing to it herself Come along as Jerria experiences the Great Land day by day with details rich enough to plan your own Alaskan cruise minus the exotic poison Nights of Wailing, Days of Pain Jose Antonio Lopez,2008-08-22 Nights of Wailing Days of Pain Life in 1920s South Texas Jose Antonio Lopez Summary Life in 1920s South Texas was mercilessly miserable for U S citizens of Spanish Mexican Tejano ancestry The courageous descendants of Native Americans and the first Europeans to set foot in Texas had been reduced by this time to the status of foreigners in their own homeland It had been over eighty years since the 1836 Battle of the Alamo but the suffering of the native inhabitants continued unrestrained into the twentieth century In short Tejanos looked like the enemy spoke Spanish like the enemy worshipped as Catholics like the enemy and thus were treated like the enemy Akin to a never ending nightmarish inferno stoked by constant Battle of the Alamo reminders the damage to the tormented Tejano psyche persists to this day Nights of Wailing Days of Pain involves the day to day life of a Tejano family whose members are living in two parallel worlds One is the world of their Spanish Mexican ancestors inventors of the ranch and cowboy phenomena and the other is the world of Anglo Saxon Texas that treats them as strangers in the only homeland they have ever known The first world is a sanctuary providing comfort but it is slowly disappearing The second world is fraught with overwhelming anxiety and continues unabated to the present time The book typifies the saga of countless Tejano families struggling to make a living in the harsh brush country of South Texas while at the same time fighting off those who wanted their land at all costs The story begins with a scene worthy of a Russian czar A ranch foreman bloodied by a brutal beating hangs feet first from the arm of a large oak tree Although not charged with any crime he had been left there by the Texas Rangers It was a most undignified sight How could this be After all this was the 1920s Wasn't the United States of America the land of the free where a person was innocent until proven guilty Wasn't South Texas part of the United States of America Had not the country recently fought a world war the Great War to guarantee freedom for others in Europe What about basic freedoms guaranteed by the U S Constitution for citizens in this country regardless of their race creed or color The man hanging from the tree was a U S citizen So how could this be happening Why was he being treated in such a cruel manner The first chapters introduce the several main characters of the storyline Chapa the Rancho La Paz foreman is a strong and capable young man who valiantly absorbs the rangers brutal punishment without betraying his boss The beautiful Dona Carmelita Meli is the ranch owner's wife She is the social conscience of the community Don Roberto Gutierrez her husband is the former county sheriff who

traces his lineage to the first Spanish Mexican Texas settlers He is suddenly accused of smuggling contraband horses and mules from Mexico Justa is the ranch matron She is a wise curandera folk healer whose counsel is sought by all Sabi is Justa's daughter and helps her mother with her duties at La Paz Both of them are part of Don Roberto's extended family Epifania Epi Martinez is a Gutierrez relative who works at the courthouse Amble Macray is a rich Anglo Saxon cattleman from Fort Worth He grew up with the Gutierrez family He and his family are very supportive of Tejano culture and respectful of the Spanish Mexican roots of Texas Amble has two brothers One of them Deck is now the sheriff Deck reluctantly participates in Don Roberto's persecution and prosecution They have one sister Libby They also have a half sibling Raymundo a U S marshal Scott Johnson is Don Roberto's defense attorney Scott is an idealistic young lawyer who is defending his first case George R Reed is a former county judge who controls most significant activities in the community As the area political boss he wants Rancho La
