

## God Likes People Old Gospel Song

1. Way back when God created Adam and took the clay in His hands.  
He didn't set out to make an angel, He wanted to make a man.  
He made him a wife and called her Eve and gave them a job to do.  
God said, "Multiply 'cause I want to fill the earth with a lot more people like you."

### CHORUS:

God likes people, any shape, any color, any size.  
You don't have to be an angel to be really special in His eyes.  
He said it in John 3:16 and He proved it on Calvary, too.  
God likes people, ordinary people, people like me and you.

2. When Jesus came to preach and heal back 2000 years or so.  
Crowds of people followed Him ev'rywhere He'd go.  
'Cause He took time to feed the hungry or to bless a child,  
And a lot of good folks even took Him home to stay a little while.

### CHORUS: twice

Tag: people like me and you. (3 times at end)

For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Music God Likes free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Music God Likes free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Music God Likes. In conclusion, the internet offers numerous platforms and websites that allow users to

download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Music God Likes any PDF files. With these platforms, the world of PDF downloads is just a click away.
