Chile in Their Hearts John Dinges,2025-04-29 Set against the romance of revolution and the terror of a military coup this arresting mystery is also a reckoning with the callousness of U S foreign policy In 1972 two idealistic young Americans Charles Horman and Frank Teruggi arrived in Chile to participate in President Salvador Allende's socialist and democratic revolution A year later they were secretly executed as Chile's military with U S backing deposed Allende Following a sham investigation and cover up a Chilean defector leveled a stunning but ultimately false accusation a CIA agent was in the room when one of the killings was ordered The defector's tale inspired the acclaimed 1982 film Missing and established U S involvement as the accepted narrative But Chile in Their Hearts exposes the tale as a fabrication and leads us to a more intriguing reality This book will force readers to rethink what they thought they knew about this infamous case Renowned investigative journalist John Dinges scoured U S and Chilean archives and interviewed new witnesses to reveal the true story of the killings and the compelling adventure of the two Americans lives against the backdrop of U S intervention in Chile
