A New Edition. With Numerous Notes, and an Introductory Dissertation ... by W. F. Finlason John Reeves, 1869 *For Such a Time as This* Hanna Reichel, 2025-09-04 A guide for ordinary Christians seeking to live faithfully in extraordinary times This is not the first end of the world Many worlds have ended In an era of political polarization eroding democratic norms and rising authoritarianism many Christians find themselves disoriented wondering how their faith should inform myriad daily decisions Drawing upon both scholarship and pastoral wisdom theologian Hanna Reichel offers a timely resource for believers seeking spiritual grounding amid societal upheaval For Such a Time as This provides a thoughtful framework for discernment rooted in scripture historical wisdom and the core commitments of Christian faith Through meditations on scripture reflections on historical precedents including the Confessing Church s resistance to Nazi Germany and portraits of inspiring figures who maintained their integrity in the face of oppression Reichel guides readers toward their own Christian response to the present moment Written specifically for ordinary believers this accessible volume acknowledges that while some are called to dramatic public witness all must face the daily challenge of living faithfully as long established institutions and systems reveal their fragility Neither alarmist nor complacent Reichel reminds readers that Christians throughout history have faced the collapse of worlds they once took for granted and have discovered unexpected liberation in the process For anyone troubled by current political trends and searching for ways to disentangle faith in God from misplaced trust in political systems For Such a Time as This offers both

challenge and comfort Readers will come away with practical wisdom for navigating our uncertain times a deeper understanding of Christianity s resources for resistance and renewed energy for the urgent tasks that faithful discipleship demands today None of this is unprecedented what is unprecedented is that today it is we who have to do the hard work of seeing idols smashed grieving and picking up the pieces holding them into the sun and seeing new refractions of light in their edges
