**Who Killed Kit Marlowe?: A Contract to Murder in Elizabethan England** M. J. Trow, Taliesin Trow, 2020-05-21 Kit Marlowe was the bad boy of Elizabethan drama His mighty line of iambic pentameter transformed the miracle plays of the Middle Ages into modern drama and he paved the way for Shakespeare and a dozen other greats who stole his metre and his ideas When he died stabbed through the eye in what appeared to be a tavern brawl in Deptford in May 1593 he was only 29 and many people believed that he had met his just deserts But Marlowe's death was not the result of a brawl And it did not take place in a tavern The facts tell a different story one involving intrigue espionage alchemy and the highest in the land Born the son of a shoemaker in Canterbury Marlowe read Theology at Corpus Christi College Cambridge and was destined for a career in Elizabeth I's new Church of England But in 1583 he moved to London and wrote dazzling new plays like Dido Queen of Carthage Tamburlaine the Jew of Malta and Doctor Faustus He was the Muse's darling all fire and air and the crowds flocked to his dramas at the Curtain the Theatre and the Rose But even before he left Cambridge Kit Marlowe was recruited into the dangerous and murky world of espionage perhaps by Nicholas Faunt secretary to the queen's spymaster Francis Walsingham The religious world was split between Catholic and Protestant and there was a price on the queen's head the pope himself had ordered the assassination of the English whore the Jezebel who had betrayed Catholicism Walsingham's efforts and those of intelligencers like Marlowe were all designed to keep the queen and her country safe Marlowe was a maverick a whistle blower with outspoken views on religion the government for which he worked and he was critical of the norms of behaviour Almost certainly homosexual at a time when that meant execution he claimed that Christ had a homosexual relationship with John the Baptist Or did he Was all that merely propaganda invented by the ever growing list of enemies building up by 1593 This book offers a different interpretation to the death in Deptford Marlowe knew too much about the Privy Council the gang of four who effectively ran England under the queen He openly defied them in his last plays the Massacre at Paris and Edward II And they in turn were keen to destroy him His mouth must be stopped and stopped it was by a trio of agents operating at the highest level The brutal murder of a young playwright at the peak of his powers has intrigued and captivated for over 400 years This compelling journey through the evidence allows us to know for the first time who killed him

**Entered from the Sun** George Garrett, 2013-12-18 Completing his masterful trilogy of novels set in Elizabethan England Garrett again applies distinguished literary skills to spin a tale dark with deception and metaphysical questions but teeming with sensuous and concrete details that convey the spirit of the age In 1597 when it seems that half the people in England are spying on the other half two Londoners skilled in deceit are forcibly enjoined by rival factions to investigate the recent death of dissolute poet and playwright Christopher Marlowe Each of the two Joseph Hunnyman common player and con man and Captain William Barfoot soldier and spy is aware of the other's investigation but they come together only through a third party the provocative widow Alysoun Like an impressionist painting vivid in its small

shimmering details the novel conveys a picture of Renaissance society offers richly nuanced character portraits and sparkles with bawdy humor and robust sexuality Garrett's prose is oblique his sentences arrestingly truncated his narrative method seemingly digressive in no rush to spill out his story he circles round and round its mysterious core Though the plot here is less compelling than those of the two previous novels readers will enjoy a novel of rare literary quality richly marinated in research wondrously steeped in the world it artfully depicts PW

**The Reckoning** Charles Nicholl, 1995-07-15 In 1593 the brilliant but controversial young playwright Christopher Marlowe was stabbed to death in a Deptford lodging house The circumstances were shady Nicholls penetrates four centuries of obscurity to reveal a complex story of entrapment and betrayal Winner of the Crime Writer's Gold Dagger Award for a nonfiction thriller

**Marlowe's Ghost** Daryl Pinksen, 2008 On the morning of May 30 1593 Christopher Marlowe met with three associates in the English intelligence network Later that evening the Queen's coroner was summoned to their meeting place A body lay on the floor After an inquest the dead man was taken to a nearby churchyard busy at the time receiving victims of the plague According to the official report England's foremost playwright was interred without fanfare or marker Soon plays attributed to William Shakespeare began to appear on the London stage plays so undeniably similar to Marlowe's that noted scholars have since declared that Shakespeare wrote as if he had been Marlowe's apprentice Marlowe's Ghost The Blacklisting of the Man Who Was Shakespeare explores the possibility that persecution of a writer who dared to question authority may have led to the greatest literary cover up of all time
