Murders Coming:

Murder Comes To Town W. H. Beswick,2024-04-17 Jimmy Evan is coming back to Digger s Cove The small town he was born in So small it rarely appears on maps Not only is Digger s Cove off the beaten path but in some ways it is like stepping back in time Everyone lives houses built decades ago The cars are all vintage and in perfect condition Cells phones don t work there but they do have cable Abby Anderson is the sheriff of Digger s Cove She was born and raised there but left for college and never came back That was until her father became ill Abby took over his duties as sheriff After he passed away she statyed on the job Homicide Sara Skott,2022-07-15 Homicide Towards a Deeper Understanding offers an in depth analysis into the phenomenon of homicide examining different types of homicide and how these types have changed over time Based on original analysis on Scottish data this book draws upon an international body of research to contextualize the findings in a global setting filling an important gap in the homicide literature pertaining to the relationship between trends in homicide and violence Examining homicide from gendered as well as Gothic perspectives this book also relates homicide to novel critical theory The book covers a thorough description of different types of homicide including sexual homicide and provides an explorative approach to the identification of homicide subtypes The book also explores how these findings relate to current homicide theory and proposes a new theoretical framework to gain a deeper understanding of this crime The main argument of the book is that if homicide and its relationship to wider violence is to be fully understood theoretically as well as empirically this crime needs to be disaggregated in a way that reflects the underlying data Overall this book therefore fills an important gap in criminological literature providing an in depth understanding of one of the most serious violent crimes
