Island in the Sky Ernest K. Gann, 2020-02-25 *Island in the Sky* first published in 1944 is aviator Ernest Gann's exciting realistic novel of survival in the far north of Canada. The Corsair, a plane attached to the Army Air Transport Command during the Second World War, is forced to land after heavy icing of the wings makes the plane unflyable. The crew look to Dooley, the pilot, for guidance in order to survive the frigid conditions and from support bases and search aircraft a rescue mission is mounted. *Island in the Sky* was the subject of a 1953 movie starring John Wayne. Publisher's Note Nov 26 2015 Note that a recent reviewer's comment stating that the book lacks many parts including the entire completion is not accurate. Our editions of *Island in the Sky* contain the full and complete text of the book as written by author Ernest Gann.
