

Musicians' Policy Handbook

Effective July 1, 2024

Welcome to the Savannah Philharmonic. This handbook summarizes the policies and practices pertaining to all musicians performing with the organization. Should anyone have any questions regarding this document the Executive Director and/or Musicians' Committee will be happy to answer any questions.

1. Core Musician

While this handbook applies to all musicians performing with the Savannah Philharmonic, the organization is made up of a group of Core Musicians.

In order to maintain core status, Principal Chairs in all sections (see definition of Principal in §2.1) as well as Assistant & Associate Principals in the String Sections and Second Chairs in the Wind/Brass sections will be required to play 75% of the cycles offered to them each season. All other musicians will be required to play 60% of the cycles offered to them (all rounding to the nearest 10%). Additional offers that are made during the season and accepted by the musician will then be factored into the musician's percentage with the same weight as offers in the season contract. Exceptions to the percentage requirements may be granted by the Music Director in extreme circumstances such as illness, injury, or hardship. Musicians may also request a Leave of Absence as laid out in §2.10.3.

Openings for any Core Musician vacancy will be filled through a formal audition process (outlined in §8).

The position and numbers below represent the ideal Core of the Savannah Philharmonic. The organization realizes that the current Core may be slightly larger at this moment. As time passes, the process of attrition will take care of extra players (marked below with an *) and the Core will eventually end up at these numbers (minus the * positions).
