## **No Easy Game:**

**Course notes on finite games and rational choice** Riccardo Bruni,2019-02-11 This book collects notes that were prepared for a university course taught in the Spring of 2018 and delivered to an audience of students enrolled in the Master course in Logic philosophy and history of science of the University of Florence The goal of the course was to introduce students to some basic concepts from the area of research generally known as decision theory This is done by focussing on the concept of rational choice which is analyzed methodologically speaking by the means of the theory of games To minimize prerequisites it was decided to restrict the attention to the theory of finite games in particular The topics treated are vary and belongs to both the theory of games in normal form as well as that of games in extensive form as they are usually referred to The classical issues in both fields such as the theory of equilibria and the study of properties such as determinacy are carefully discussed to make them clear to beginners and are addressed from a novel perspective which makes use of formal methods that are typical of researches connected with the study of logic

**Red Letters** Michael MacCambridge,Neil Atkinson,2021-11 For those obsessed with Premier League soccer following your favorite team is a true collective experience where it is easy to feel as one with thousands of others It is also an individual one in which the emotions you feel are your emotions the experiences you feel are your experiences and nobody else can perfectly understand Over the course of the 2019 20 season two longtime Liverpool FC followers wrote to each other about those emotions and experiences American writer Michael MacCambridge living in Austin Texas is a devoted Liverpool follower Five thousand miles away his friend Neil Atkinson Liverpool resident and a longtime season ticket holder is the host of the popular podcast The Anfield Wrap Each week throughout the historic season Atkinson and MacCambridge exchanged letters contemplating Liverpool s progress comparing and contrasting their different perspectives on the club and the sport meditating on the manner in which their shared obsession for Liverpool works its way into nearly every corner of their personal lives and discussing the differences between how the game is consumed in the United States and the United Kingdom and the role modern media plays in shaping our views of sport Their collaboration was both timely and serendipitous as Liverpool marched toward its first ever Premier League title and its first league title in thirty years with a charismatic manager and the most entertaining team in the sport In March of course the soccer story was overtaken by the larger story of the COVID 19 pandemic wreaking havoc throughout the world including sports events In the course of their correspondence Red Letters provides a real time account of the pandemic that threatened the very existence of the season that Liverpool followers had been waiting more than a generation to experience Red Letters provides a different way to examine the culture of a worldwide sport and development of a soccer season game by game in real time with hopes and expectations tested and altered as the season progresses to Liverpool s Premier League championship with insight from two avid supporters
