

# What is **SOVEREIGNTY**?

**Sovereignty** is the supreme power that a nation or state holds to govern itself and make decisions without external interference.

It is the capacity of a country to exercise its authority over its territory, government, and citizens.

**Sovereignty** entails the exclusive right of a state to establish its laws, policies, and government systems, as well as to interact with other countries on the international stage.

It is a fundamental principle that underpins the autonomy and independence of a nation, ensuring its freedom to determine its destiny and protect the interests of its people.
