mentality supported by their entitlement attitude He is the embodiment of everything that is wrong with America today he is the maestro of the blame game mistakes will be made but others can be blamed We have misplaced our traditional values while buying into the liberal s progressive mindset Our losses have been mounting for decades and the accumulative consequences are coming to bear The list is endless common sense common courtesies responsibility accountability integrity family values love of country and God I m not suggesting he caused this decline in America s moral values but I would suggest his radical vision for America and beyond is to take what we see today to the next level From his distorted perspective he is myopically focused on shepherding us to what s right for America

*Jesus Is Trying To Get Your Attention* David Smith,2014-12-16 Do you find it difficult to share your faith with acquaintances who have tuned out the gospel message because of unpleasant past experiences with religious goofballs or church legalism This collection of brief articles about God s love for us is conversationally written to introduce skeptics agnostics and the un churchd to the concept of a saving personal relationship with Jesus Christ Jesus Is Trying To Get Your Attention makes a great gift for anyone who hungers for the truth yet is turned off by organized religion and church ianity
