Durkin,2002-02-01 Robert Hamlin a 19 year old college student lacking self confidence and motivation returns home from college one weekend After another long conversation with his mother about it s now time to pick a college major Bob goes to sleep for the evening and his future is revealed to him by a series of dreams While in college two major events occur in Robert Hamlin s life First he wins the Illinois lottery co winning a 12 million purse His great luck financially permits him to create a successful political consulting firm and be elected to the U S Congress at the age of 25 Second the U S Constitution is amended to prohibit discrimination in employment by one s age He later uses the amendment to run for the U S presidency and gets elected at the age of 29 In his short political career and young age he offers policy proposals with a strong sense of candor not too often seen by elected officials in our democracy today In doing so he subsequently wins over the hearts of both men and women by working with people to realistically address the problems facing our country Throughout the story he addresses the disbelief young people have toward politics from repeated scandals of corruption lying and other questionable activities Robert Hamlin lives his life in a manner to demonstrate how elected officials can help our nation s citizens He believes that Public officials have forgotten that they are elected and paid by us He summarizes the need to move forward by saying Let the future begin The first in an anticipated series of three stories In My Dreams helps to inform Americans about the political process More importantly it tries to serve as a symbol of hope for a better future in our political system by giving people an opportunity to vote for a candidate rather than against one
