**The Mystery of Old Testament Chronology Revealed** V. C. Lewis,2005-04 The Mystery of Old Testament Chronology Revealed provides a detailed scripturally referenced chronology from Adam to the captivity of Judah The primary reference is the King James Bible

**DANIEL: Touchstone of Prophecy** Kent Stevens,2008-07-31 Scholars agree Daniel's prophecies detail history up to 164 B C then opinions split But why not continue following the trail of history What if we could prove his prophecies are already fulfilled This verse by verse pursuit takes us a little outside popular explanations and turns up some surprising answers Discover how the Little Horn of the dragon has been in plain sight of history all along why one prophecy is divided into weeks who is the real prince to come and who is the true Covenant Maker that the 2300 evenings and mornings are not mere days on a calendar how the 1290 and 1335 day prophecy bring us to an oft neglected turning point in Jewish history Determined to let Scripture speak for itself Kent Stevens attempts to support every verse with well known details from history Even if you end in disagreeing with the author's compelling arguments we hope you will conclude with him that Daniel is truly a unique touchstone that challenges and tests the way we view prophecy

Joseph Smith's Polygamy, Volume 2: History Brian C. Hales,2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons

were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all
