New Developments In Applied General Equilibrium Analysis:

New developments in applied general equilibrium analysis John Piggott, John Whalley, 1985 **Handbook of Public Finance** Fred Thompson, Mark T. Green, 1998-02-04 Presenting emphases on and approaches to issues such as government spending reporting pricing and fiscal federalism the Handbook of Public Finance demonstrates the utility of integrating public finance theory with actual public policy practices It discusses applications in major subfields of public finance including public education environmental regulation energy policy social welfare programs and local and state politics Other topics of discussion include the theory and practice of tax incidence analysis the marginal costs of taxation and regulation the economics of expenditure incidence discounting and the social discount rate passive use benefits and public sector pricing Handbook of Development Economics Hollis Burnley Chenery, J. Behrman, T.N. Srinivasan, 1988 Handbooks of development economics edit Chenery v 1 **Handbook of Econometrics** J.J. Heckman, Edward Leamer, 2001-11-22 The Handbook is a definitive reference source and teaching aid for econometricians It examines models estimation theory data analysis and field applications in econometrics Comprehensive surveys written by experts discuss recent developments at a level suitable for professional use by economists econometricians statisticians and in advanced graduate econometrics courses For more information on the Handbooks in Economics series please see our home page on <http://www.elsevier.nl/locate/hes> **Balancing Agricultural Development and Deforestation in the Brazilian Amazon** Andrea Cattaneo, 2002 Since the 1970s federal policies promoting migration and encouraging agricultural development of large farms logging and ranching have led to the deforestation of vast areas of the Amazon rainforest Though these policies have largely been replaced deforestation continues What effects do current macroeconomic and regional policies and events have on deforestation and on the well being of settlers on the agricultural frontier This report identifies the links between the agriculture and logging sectors in the Amazon economic growth poverty alleviation and natural resource degradation in the region and in Brazil as a whole It considers the effects of currency devaluation building roads and other infrastructure in the Amazon property rights adoption of technological change and fiscal incentives and disincentives to deforest The results are sometimes counterintuitive but shed new light on why slowing deforestation is so difficult and on the trade offs between environmental and economic goals *Real Business Cycles* James Hartley, Kevin Hoover, Kevin D. Salyer, 2013-07-04 Real Business Cycle theory combines the remains of monetarism with the new classical macroeconomics and has become one of the dominant approaches within contemporary macroeconomics today This volume presents the authoritative anthology in RBC The work contains the major articles introducing and extending the theory as well as critical literature an extensive introduction which contains an expository summary and critical evaluation of RBC theory comprehensive coverage and balance between seminal papers and extensions proponents and critics and theory and empirics Macroeconomics is a compulsory element in most economics courses and this book will be an essential guide to one of its major theories **New**

Developments in Computable General Equilibrium Analysis for Trade Policy John Gilbert, 2010-10-05 Intends to present the developments in the methodology and practice of CGE techniques as they apply to various issues in international trade policy This title is suitable for academic researchers working in trade policy analysis and applied general equilibrium and advanced graduate students in international economics Applied General Equilibrium Models ,1988 **Handbook of Computational Economics** H.M. Amman, D.A. Kendrick, J.
